For Your Information

Charges for your monthly service are billed one month in advance. CenturyLink should receive your payment for the total amount due on or before the due date on your bill. If you are unable to pay by the due date, please contact Customer Service to avoid possible collection action. In some states you may be assessed a charge for unpaid balances. Your basic telephone service will not be disconnected for non-payment of charges for: (1) CenturyLink Unregulated Services (or other itemized services) identified by an *, (2) services of other CenturyLink companies, or (3) services of other companies included in your bill. CenturyLink packages of features and the amounts in the Account Summary may include both basic and charges that are not basic.

Third-Party Billing Block

Cramming occurs when unauthorized charges appear on your telephone bill. To help prevent unwanted third party charges on your bill, contact CenturyLink at 800-603-6000 and request, at no charge, a bill block that will prevent some third party charges such as charitable contributions, dial-up Internet by non-CenturyLink companies or other non-telecommunications charges from appearing on your bill.
