**PREVENT DISCONNECT**

All charges must be paid each month to keep your account current. However, "basic service" and its applicable taxes and surcharges **MUST** be paid to avoid disconnection. Currently, for this account that amount is \$46.28. Failure to pay non-basic charges may result in other collection activities, including restriction of toll calls.

Please contact us if this does not agree with your records.

**THIRD-PARTY BLOCKING**

AT&T sometimes bills charges on behalf of other companies. We offer third-party bill blocking to prevent billing of certain "enhanced" service charges, at no charge. Third-party bill blocking does not affect billing for long-distance or operator services. It also does not affect billing by AT&T affiliates or members of our marketing alliances. To order third-party bill blocking, please call us at the toll free number on your bill. For additional information regarding third-party charges, please visit us online at [att.net/smartcontrols-Cramming](http://att.net/smartcontrols-Cramming).

**AT&T PRIVACY UPDATE**

**COST ASSESSMENT CHRG**

AT&T charges you this monthly per line amount to recover its ongoing costs incurred for property taxes and supporting the administration of local number portability, a government program that enables customers to retain their telephone number when changing service providers. This fee is not a tax or charge that the government requires AT&T to collect from its customers.

**FEE DESCRIPTIONS**

The Administrative Expense Fee recovers a portion of AT&T's internal costs associated with the Federal Communications Commission's Universal Service Fund and related programs. The Federal Regulatory Fee recovers amounts paid to the federal government for regulatory costs and telecommunications services for the hearing impaired, and costs associated with local number portability administration. These fees are not taxes or charges that the government requires AT&T to collect from its customers.

**CA STATE E911**

The California State E911 fee will be billed together with local E911 fees, where local fees are applicable, starting 1/1/2020. These fees will be billed as a combined charge under State E911 on your bill.
