## News You Can Use

### PREVENT DISCONNECT

All charges must be paid each month to keep your account current. However, "basic service" and its applicable taxes and surcharges MUST be paid to avoid disconnection. Currently, for this account that amount is \$265.40. Failure to pay non-basic charges may result in other collection activities, including restriction of toll calls.

### CARRIER INFORMATION

Our records show that you have selected Cust Undecided on Carrier or a company that resells their services as your primary local toll carrier and that you have chosen not to select a long distance carrier. Please contact us if this does not agree with your records.

### COST ASSESSMENT CHRG

AT&T charges you this monthly per line amount to recover its ongoing costs incurred for property taxes and supporting the administration of local number portability, a government program that enables customers to retain their telephone number when changing service providers. This fee is not a tax or charge that the government requires AT&T to collect from its customers.
