

## INSTITUTION-SET STANDARDS

Following are the institution-set standards, which have been approved by the Board of Governors, for student achievement:

Standard	Definition	Measure
<p><b>Course Completion</b> Passing grade in course and persist to next mod/term.</p>	Institutional aggregate score of annual course completion rate.	80%
<p><b>Graduation</b> Graduation rate for a calendar year.</p>	Institutional aggregate of annual graduation rate.	50%
<p><b>Placement</b> In-field placement in a calendar year.</p>	Institutional aggregate of annual placement rate.	60%
<p><b>Certification/Licensure</b> Achieve passing score on specified exam per programmatic accreditation.</p>	Programs with programmatic accreditation thresholds will meet established standards.*	See program chart for specific rates and time periods.

\*Aviation Maintenance Technology, Veterinary Technology, Licensed Vocational Nursing, Registered Nursing, Respiratory Therapy, Surgical Technology

Standards represent the minimum threshold for performance in these areas. Accomplishment of the standards is one of the methods that the College uses to assess how well it is fulfilling its mission.

## INSTITUTIONAL LEARNING OUTCOMES

Upon successful completion of their program of study, graduates of San Joaquin Valley College will be able to demonstrate the following Institutional Learning Outcomes:

- Critical Thinking**  
Demonstrate critical thinking through examination of ideas and evidence before formulating an opinion or conclusion.
- Written Communication**  
Demonstrate the ability to compose coherent, supported, and sensibly structured written work.
- Oral Communication**  
Demonstrate the ability to communicate verbally in an effective and professional manner.
- Quantitative Reasoning**  
Demonstrate the ability to problem-solve using numerical and logical evidence.
- Information Literacy**  
Demonstrate the ability to recognize, locate, evaluate, and relate information.

## CO-CURRICULAR LEARNING OUTCOMES

Upon successful completion of their program of study, graduates of San Joaquin Valley College will be able to demonstrate the following Co-Curricular Learning Outcomes:

- Professionalism**  
Demonstrate professional behavior and effective interactions with other professionals, community members, and/or patients.
- Intercultural Awareness**  
Demonstrate awareness of and responsiveness to social and cultural differences by using effective interpersonal skills.
- Self-Awareness and Learning**  
Demonstrate self-awareness through reflection and the development of appropriate plans for self-directed learning and development.
- Responsible Citizenship**  
Demonstrate responsible citizenship through relationship development and service to others on campus and in their community.
- Leadership and Teamwork**  
Demonstrate the ability to lead, work collaboratively with others, and resolve conflict to accomplish a shared goal.
