

Pharmacy Technology

Fill your prescription for a rewarding career

SJVC's Pharmacy Technology (PhT) program prepares students to work under the direct supervision of a Registered Pharmacist as part of a team responsible for carrying out a doctor's pharmaceutical orders. Pharmacy Technicians assist in the various activities of compounding, distributing and dispensing of medications.

Students Learn

- Prescription processing
- Computer data entry
- Pharmacy law & ethics
- Clinical applications

Training includes a balance of classroom and lab instruction, as well as an externship component, which allows students experiential learning in an actual clinical environment.

Professional Certifications

Graduates will earn a Certificate of Completion or an Associate of Science degree. Students who graduate with an A.S. Degree are eligible to apply for licensure with the California State Board of Pharmacy, and are eligible to take the National Pharmacy Technician Certification Board exam to become a Certified Pharmacy Technician (CPhT). Graduates also earn Health Insurance Portability and Accountability Act (HIPAA) Certification.

Career Information

A well-trained pharmacy technician can expect to work in a professional environment as an integral part of a health care team. These skilled technicians are expected to perform the following job duties:

- Process prescriptions
- Prepare I.V.s
- Compound creams, ointments and medication
- Operate pharmacy software
- Maintain inventory control

Admission Requirements

Admission to the PhT program requires:

- High school diploma or equivalent
- Official transcript from high school or GED/equivalent
- Wonderlic SLE assessment score of 12 or higher

Applicants must have reliable plans for transportation, child care and time to devote to academic work outside of scheduled class hours.
