

Medical Assistant

Care for others in a rewarding medical career

SJVC's Medical Assistant (MA) programs prepare graduates to work as Medical Assistants in medical offices and specialty clinics. Training helps students learn the skills required to be a valuable member of the health-care team.

Students Learn

- Patient care
- Medical office procedures
- Laboratory skills
- Medical administrative practices*

*CAMA-specific training

The programs include an externship which allows students to further their studies in a real-world medical environment. This clinical training enhances student learning and helps graduates develop work experience.

Certificate or A.S. Degree

SJVC students can prepare for work as a medical assistant by choosing the credential level that best meets their needs and career goals. The Certificate-level Clinical Medical Assisting (CMA) program offers all of the basic training required to work in a doctor's office, with an emphasis on clinical, back-office procedures. Graduates of the Clinical and Administrative Medical Assisting (CAMA) program earn an Associate of Science (A.S.) Degree and benefit from additional training in medical office procedures, equipping them with both front and back office skills.

Professional Certifications

CMA graduates earn a Certificate of Completion and are eligible to sit for the California Certified Medical Assistant (CCMA) examination offered by California Certifying Board of Medical Assistants (CCBMA), National Certified Medical Assistant (NCMA) exam, offered by the National Center for Competency Testing (NCCT) or the Certified Clinical Medical Assistant (CCMA) exam, offered by the National Healthcareer Association (NHA). CAMA graduates earn an Associate of Science degree and are eligible to sit for the Registered Medical Assistant (RMA) examination offered by American Medical Technologists (AMT), California Certified Medical Assistant (CCMA) examination offered by California Certifying Board of Medical Assistants (CCBMA) or National Certified Medical Assistant (NCMA) exam, offered by the National Center for Competency Testing (NCCT) or the Certified Clinical Medical Assistant (CCMA) exam, offered by the National Healthcareer Association (NHA).

Career Information

Medical Assistants work in medical offices, clinics, or hospitals, and perform the following job duties:

- Take medical histories & vital signs
- Clean & sterilize equipment
- Perform office accounting, bookkeeping & billing*

*CAMA program

Admission Requirements

Admission to either MA program requires:

- High school diploma or equivalent
- Wonderlic SLE assessment score of 12 or higher

Applicants must have reliable plans for transportation, child care and time to devote to academic work outside of scheduled class hours.
