

Care for others in a rewarding medical career

Registered Nursing - LVN to RN Bridge Program

SJVC's Registered Nursing - LVN to RN Bridge program is designed for Licensed Vocational Nurses who want to take the next step in their medical career.

This program allows licensed Vocational Nurses to transfer credits from their LVN studies to the required coursework needed for the Registered Nursing program.

Training Today for a Better Tomorrow

Hands-On Training

Students Learn:

- Med-Surg nursing
- Geriatric and pediatric care
- Obstetric and neonatal nursing
- Mental health care

Credential and Professional Certification

Graduates earn an Associate Degree in Nursing (ADN) and are eligible to apply to the California Board of Registered Nursing to sit for the National Council Licensure Examination for Registered Nursing (NCLEX-RN), a requirement for practice as a registered nurse. See academic catalog for additional details.

San Joaquin Valley College's RN program is approved by the California Board of Registered Nursing (BRN).

For information about application deadlines and program start dates, please visit <https://www.sjvc.edu/programs/medical-and-dental/registered-nursing>.

Application Process

Prospective students are responsible for providing proof of admission requirements and submitting additional required documents related to the application process. When a complete application file is received, the applicant takes entrance assessment exams and writes a personal goal statement. Final selection is based on points earned in the admission process. Qualified candidates will be considered for an invitation to interview with the selection committee.

Licensed Vocational Nursing to Registered Nursing

In accordance with the Board of Registered Nursing Policy (Section 1435.5) California Licensed Vocational Nurses may apply for entry into the non-degree Registered Nursing program. This program is commonly referred to as the "30-unit option" and prepares the student to take the NCLEX-RN Examination, but does not award an Associate of Science Degree. Completion of this option may not meet the criteria to practice in other states. Non-degree applicants will be considered on a space available basis only and if program resources allow. See the Program Director for more information.

Career Opportunities

Registered nurses work in hospitals, private practices, clinics, and home care agencies, and perform the following job duties:

- Perform physical exams and health histories
- Provide and coordinate patient care
- Provide health promotion, counseling and education
- Direct and supervise care delivered by other healthcare personnel

Source: Occupational Information Network (O*Net) www.onetonline.org

Admissions Requirements

Applicants must have completed a minimum of 34 units of general education coursework with a GPA of 2.5 or higher in the following subjects at an accredited college or university:

Human Anatomy with lab
Microbiology with lab
Human Physiology with lab
General Chemistry with lab
Writing and Composition
Intermediate Algebra or higher
General Psychology
Introduction to Sociology or Cultural Anthropology
Introduction to Public Speaking/Oral Communication
General Education (GE) Breadth Area C2 (minimum of 3.0 units in literature, philosophy, or foreign language)

Institutional Accreditation

San Joaquin Valley College is accredited by the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, 10 Commercial Blvd., Suite 204, Novato, CA 94949, (415) 506-0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education. Additional information about accreditation, including the filing of complaints against member institutions, can be found at:

www.accjc.org.

California State Approval

SJVC is a private institution and is approved to operate as an accredited institution by the California Bureau of Private Postsecondary Education (BPPE). Approval to operate means that SJVC has been found in compliance with the standards set forth in the California Private Postsecondary Education Act of 2009 (as amended) and Title 5, Division 7.5, - Private Postsecondary Education of the California Code of Regulations. As a prospective student, you are encouraged to review the catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement.
