

Care for others in a rewarding medical career

Occupational Therapy Assistant

SJVC's Occupational Therapy Assistant (OTA) program prepares students to work in the medical field as an occupational therapy assistant.

Classes are scheduled Monday through Fridays during the day. Psychosocial Occupational Therapy Field Work 1, Conditions of the Adult and Geriatric Population Fieldwork 1 and Occupational Therapy Assistant Fieldwork 2 A & B experiences are scheduled weekdays and weekends with varying hours. Students can expect to attend classes 4 days a week during Terms 1, 2 and 3. Students can expect to attend Field Work 2 A & B experiences for 5 days a week during Term 4.

Training Today for a Better Tomorrow

Students gain experience in a variety of Field Work environments including:

- Geriatric Care
- Pediatric Care
- Mental Health Care
- Rehabilitation Care
- Acute Care Hospitals, Skilled Nursing Facilities, and Out-Patient Clinics

Accreditation and Credentials

The SJVC Occupational Therapy Assistant program is in progress of seeking accreditation through the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 4720 Montgomery Lane, Suite 200, Bethesda, MD, 20814-3449. ACOTE's telephone number, C/O AOTA, is (301) 652-6611, and its web address is www.acoteonline.org. At its meeting on July 26-28, 2019, ACOTE considered the Candidacy Application from the Occupational Therapy Assistant Program at San Joaquin Valley College-Fresno Campus, Fresno, California, and voted to GRANT CANDIDACY STATUS. As a result of this action, the institution may admit students into the Occupational Therapy Assistant Program according to the approved timeline (January 2020) and may proceed to the Preaccreditation Review step of the accreditation process.

Upon completion of the program, the SJVC Associate Degree Occupational Therapy Assistant graduate will be eligible to sit for the NBCOT examination. This national certification exam for Occupational Therapy Assistants is administered by the National Board for Certification of Occupational Therapy. After successful completion of this exam, the individual will be a Certified Occupational Therapy Assistant (COTA)[®]. Most states require licensure to practice, however, state licenses are

usually based on the results of the NBCOT Certification Exam. A felony conviction may affect a graduate's ability to sit for the NBCOT Certification examination or attain state licensure.

Application Process

The application process for the OTA program is highly selective. The most qualified applicants meeting the prerequisites and minimum requirements will be selected using points earned from:

- ATI TEAS test results
- Postsecondary educational attainment (GPA scores for general education prerequisite classes)
- Personal essay

Only applicants with the highest point totals will be considered for an interview with the selection committee.

1. Download the application packet for the OTA program from the SJVC website at www.sjvc.edu.
2. Contact the OTA Admissions Advisor at (559) 448-8282 and schedule an appointment to attend one of the OTA information sessions on campus.
3. Complete the OTA application file and submit it prior to the stated deadline for each class start date.

Career Opportunities

Occupational Therapy Assistants are employed in rehabilitation hospitals, skilled nursing facilities, schools, day treatment centers, out-patient clinics, and other community agencies. They perform the following job duties:

- Assist in evaluating patient needs
- Perform patient care under the supervision of an Occupational Therapist
- Provide health promotion, counseling and education
- Teach patients how to perform activities of daily living (ADLs)
- Document progress and goals for their assigned patients

Institutional Accreditation

San Joaquin Valley College is accredited by the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, 10 Commercial Blvd., Suite 204, Novato, CA 94949, (415) 506-0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education. Additional information about accreditation, including the filing of complaints against member institutions, can be found at: www.accjc.org.

California State Approval

SJVC is a private institution and is approved to operate as an accredited institution by the California Bureau of Private Postsecondary Education (BPPE). Approval to operate means that SJVC has been found in compliance with the standards set forth in the California Private Postsecondary Education Act of 2009 (as amended) and Title 5, Division 7.5, - Private Postsecondary Education of the California Code of Regulations. As a prospective student, you are encouraged to review the catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement.
