- Implement security measures for computer or information systems
- Develop computer or information security policies or procedures

Security Technician

- Implement security measures for computer or information systems
- Develop computer or information security policies or procedures
- Monitor the security of digital information

Network Technician

- Create data backups to prevent loss of information
- Implement security measures for computer or information systems
- Analyze security of systems, network, or data

Professional Certifications

20 Week Options - Certificate

Three certificate options and associated certifications offered during a 20-week program include:

- 1. Computer Support**
CompTIA® A+ certification
- 2. Networking**
CompTIA® Network+ certification
- 3. Security**
CompTIA® Security+ certification

25 Week Options - Certificate

Two certificate options and associated certifications offered during a 25-week program include:

- 1. Networking Support**
CompTIA® A+ certification
CompTIA® Network+ certification
- 2. Security Support**
CompTIA® A+ certification
CompTIA® Security+ certification

30 Week Options - Certificate

Four certificate options and associated certifications offered during a 30-week program include:

- 1. Computer Support, Networking and Security**
CompTIA® A+ certification
CompTIA® Network + certification
CompTIA® Security + certification
- 2. Computer Support and Networking**
CompTIA® A+ certification
CompTIA® Network + certification
- 3. Networking and Security**
CompTIA® Network + certification
CompTIA® Security + certification
- 4. Computer Support and Security**
CompTIA® A+ certification
CompTIA® Security + certification

A.S. Degree Option

Information Technology A.S. Degree **60 Week** Program

Certifications Covered:

- CompTIA® A+ certification
- CompTIA® Network + certification
- CompTIA® Security + certification

Additional coursework in Information Technology includes:

- Windows Server Installation & Configuration
- Windows Server Administration

General Education Coursework

Admissions Requirements

- High School diploma or equivalent
- Wonderlic SLE assessment score of 18 or higher
