## Provide administrative support in the medical field

SJVC's Medical Office Administration (MOA) program prepares graduates to work in front-office positions for a medical practice, healthcare facility or insurance company. Training helps students learn the skills required to start a career in administrative support in a healthcare environment.

### Students Learn

- Medical insurance principles
- Medical office operations
- Human relations
- Medical law and regulations

### A.S. Degree

Graduates of the Medical Office Administration (MOA) program earn an Associate of Science (A.S.) Degree and benefit from advanced training in medical billing, coding and office management.

### Professional Certifications

Graduates are eligible to take one of several national certification examinations. Graduates also earn Health Insurance Portability and Accountability Act (HIPAA), AHA-Adult & Infant CPR, and First Aid Certification.

### Career Information

Well-trained front-office personnel can work for medical and dental offices, hospitals, clinics and insurance companies.

These administrators perform the following job duties:

- Assigning ICD-9 and CPT codes to claims
- Processing patient insurance claims
- General bookkeeping
- Scheduling patient appointments
- Managing medical records

### Admission Requirements

Admission to the MOA program requires:

- High school diploma or equivalent
- Wonderlic SLE assessment score of 12 or higher

Applicants must have reliable plans for transportation, child care and time to devote to academic work outside of scheduled class hours.
