

Dental Assisting

Start a career where a smile makes a difference

SJVC's Dental Assisting (DA) program includes all aspects of working with a dentist, including patient care, office and laboratory duties. Our balance of hands-on experience with classroom instruction covers dental assisting skills and related theory. Whether training for a career chairside or an administrative position, students are well prepared at the program's completion.

Students Learn

- Dental anatomy and radiology
- Dental software
- Preventative dentistry
- Dental practice management
- Coronal polishing

Professional Certifications

Graduates earn a Certificate of Completion and additional certifications in Pit and Fissure Sealants, Dental Radiation Safety, CPR, Coronal Polish, Infection Control, Dental Law and Ethics, and are eligible to take the Dental Board of California Examination for state licensure.

SJVC's Dental Assisting program is approved by the Dental Board of California.

Career Information

Well-trained dental assistants can find work in dental offices and clinics, as well as laboratories and correctional facilities. These skilled professionals are expected to perform the following job duties:

- Provide chairside assistance to the dentist
- Take dental impressions
- Coronal polish and fluoride treatments
- Expose and process x-rays
- Practice infection control procedures
- Apply pit and fissure sealants

Admission Requirements

Admission to the DA program requires:

- High school diploma or equivalent
- Wonderlic SLE assessment score of 12 or higher
- Applicant must be age 18 by his/her expected start date

Applicants must have reliable plans for transportation, child care and time to devote to academic work outside of scheduled class hours.
