Train for a rewarding career as a

Medical
Assistant

SJVC | MKT051 REV.124

SJVC’s Clinical Medical Assisting (CMA) and Clinical and Administrative Medical Assisting (CAMA) programs prepare graduates to work as Medical Assistants in medical offices, hospitals and specialty clinics.

Medical Assistants can be the first person a patient meets upon entering a medical office and can provide care and comfort. They also help schedule appointments, take vital signs and assist the doctor while keeping the office running smoothly.

The CMA and CAMA programs include an externship which allows students to further their studies in a medical environment. This clinical training enhances learning by providing a real-world work experience where students can put their newly found skills into practice.

Your trusted source for hands-on training.

SJVC excels at in-person, hands-on learning in high tech laboratory environments that will enable you to transition to a career with real-world experience.

Credential and Professional Certifications

Graduates earn a Certificate of Completion in Clinical Medical Assisting or Associate of Science degree in Clinical and Administrative Medical Assisting and are eligible to sit for the American Medical Technologists – Registered Medical Assistant Certification exam and the National Healthcareer Association – Certified Clinical Medical Assistant (CCMA) exam. Students also prepare for and take certification exams within their program courses that include HIPAA and CPR; Online Division students also earn certification in First Aid. The College

does not guarantee students will successfully pass these exams or be certified or licensed as a result of completing the program.

Students residing outside California are encouraged to take a certification examination recognized by their state medical board or an independent certification organization.

Admissions Requirements

- High School diploma or equivalent
- Wonderlic SLE assessment score of 12 or higher

Applicants must have reliable plans for transportation, child care and time to devote to school work outside of scheduled class hours.

See the SJVC College Catalog for additional information on institutional admission requirements.

Career Opportunities

Most medical assistants work in physicians' offices, hospitals, outpatient clinics, and other healthcare facilities*, and typically perform the following job duties:**

- Help physicians examine and treat patients
- Take medical histories & vital signs
- Clean & sterilize equipment
- Collect blood or other laboratory specimens

Graduates may find work in the following jobs:

- Certified Medical Assistant (CMA)
- Clinical Medical Assistant
