Train for a rewarding career as a

Medical
Assistant

SJVC | MKT051 REV 10.22

SJVC's Clinical Medical Assisting (CMA) and Clinical and Administrative Medical Assisting (CAMA) programs prepare graduates to work as Medical Assistants in medical offices, hospitals and specialty clinics.

Medical Assistants can be the first person a patient meets upon entering a medical office and can provide care and comfort. They also help schedule appointments, take vital signs and assist the doctor while keeping the office running smoothly.

The CMA and CAMA programs include an externship which allows students to further their studies in a medical environment. This clinical training enhances learning by providing a real-world work experience where students can put their newly found skills into practice.

Medical Assistant

Your trusted source for hands-on training.

SJVC excels at in-person, hands-on learning in high tech laboratory environments that will enable you to transition to a career with real-world experience.

Credential and Professional Certifications

Graduates earn a Certificate of Completion in Clinical Medical Assisting or Associate of Science degree in Clinical and Administrative Medical Assisting and may choose to apply for a certification exam from the organization of their choice (see organization's requirements for eligibility with SJVC's Clinical Medical Assisting program)*. Students also prepare for and take certification exams within their program courses that include HIPAA, CPR and First Aid.

Students residing outside California are encouraged to take a certification examination recognized by their state medical board or an independent certification organization.

*Graduates may qualify for other certifications depending upon location and placement requirements.

Admissions Requirements

- High School diploma or equivalent
- Wonderlic SLE assessment score of 12 or higher

Applicants must have reliable plans for transportation, child care and time to devote to school work outside of scheduled class hours.

See the SJVC College Catalog for additional information on institutional admission requirements.

Career Opportunities

Most medical assistants work in physicians' offices, hospitals, outpatient clinics, and other healthcare facilities*, and typically perform the following job duties:**

- Help physicians examine and treat patients
- Take medical histories & vital signs
- Clean & sterilize equipment
- Collect blood or other laboratory specimens

Graduates may find work in the following jobs:

- Certified Medical Assistant (CMA)
- Clinical Medical Assistant
- Doctor's Assistant
- Medical Secretary

SJVC prepares students to take appropriate certification and licensure exams related to their individual majors. The College does not guarantee students will successfully pass these exams or be certified or licensed as a result of completing the program.
