Institutional Accreditation

San Joaquin Valley College is accredited by the WASC Senior College and University Commission (WSCUC), 1080 Marina Village Parkway, Suite 500, Alameda, CA 94501, (510)748-9001 (<https://www.wscuc.org>). The WSCUC is an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

California State Approval

SJVC is a private institution and is approved to operate as an accredited institution by the California Bureau of Private Postsecondary Education (BPPE). Approval to operate means that SJVC has been found in compliance with the standards set forth in the California Private Postsecondary Education Act of 2009 (as amended) and Title 5, Division 7.5, - Private Postsecondary Education of the California Code of Regulations. As a prospective student, you are encouraged to review the catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement.

Registered
Nursing –
LVN to RN
Bridge
Program

SJVC’s Registered Nursing – LVN to RN Bridge program is designed for Licensed Vocational Nurses who want to take the next step in their medical career.

This program allows licensed Vocational Nurses to transfer credits from their LVN studies to the required coursework needed for the Registered Nursing - LVN to RN Bridge Program.

Registered Nursing LVN to RN Bridge Program

Your trusted source for hands-on training.

SJVC excels at in-person, hands-on learning in high tech laboratory environments that will enable you to transition to a career with real-world experience.

Students Learn:*

- Biological, social, and nursing sciences to assist individuals from diverse backgrounds for optimal health care
- Comprehensive plans of care that minimize risk and optimizes safety
- Integration of the nursing role into clinical practice
- Psychological, social, and cultural knowledge pertaining to the nursing practice
- Inter- and intra-professional communication and collaboration skills
- Health care advocacy to improve delivery of care by communicating and acting according to the needs of the individual
- Data interpretation and evidence application to support clinical judgment
- Patient education based on the identified need in collaboration with the individual

*See college catalog for complete student learning outcomes for this program.

At SJVC, we value:

Integrity
Family
Professionalism
Communication
Diversity
Success

Credential and Professional Certifications

Graduates earn an Associate of Science in Registered Nursing (commonly known as the Associate Degree in Nursing, or ADN) and are eligible to apply to the California Board of Registered Nursing to sit for the National Council Licensure Examination for Registered Nursing (NCLEX-RN), a requirement for practice as a registered nurse. See academic catalog for additional details.

San Joaquin Valley College's RN program is approved by the California Board of Registered Nursing (BRN).

Application Process

Prospective students are responsible for providing proof of admission requirements and submitting additional required documents related to the application process. When a complete application file is received, the applicant takes entrance assessment exams and writes a personal goal statement. Final selection is based on points earned in the admission process. Qualified candidates will be considered for an invitation to interview with the selection committee.

Admissions Requirements

See the SJVC College Catalog for specific information on the admissions requirements for this program. Visit [sjvc.edu/admissions/admissions-requirements](https://www.sjvc.edu/admissions/admissions-requirements) for more information regarding SJVC's institutional and programmatic admissions requirements.

Career Opportunities

Registered nurses work in hospitals, physicians' offices* outpatient care centers, and nursing and residential care facilities, and typically perform the following job duties:**

- Perform physical exams and health histories
- Provide and coordinate patient care
- Administer medications
- Direct and supervise care delivered by less-skilled healthcare personnel

*<https://www.bls.gov/ooh/healthcare/registered-nurses.htm#tab-3>

**<https://www.onetonline.org/link/summary/29-1141.00>

SJVC prepares students to take appropriate certification and licensure exams related to their individual majors. The College does not guarantee students will successfully pass these exams or be certified or licensed as a result of completing the program.
