Train for a rewarding career in

Registered Nursing

SJVC's Registered Nursing (RN) program prepares students to work as a registered nurse in the health care delivery system.

The RN program is delivered over the course of four 20-week terms (a term is comparable to a semester) of nursing coursework, with a one-week break between the first three terms.

At the end of the program, students will participate in a 3-day live review with ATI and final proctored comprehensive exam, for a total program length of 84 weeks.

Your trusted source for hands-on training.

SJVC excels at in-person, hands-on learning in high tech laboratory environments that will enable you to transition to a career with real-world experience.

Students Learn:

- Nursing sciences to provide optimal health care for patients from diverse backgrounds
- Comprehensive plan of care using the nursing process
- Role integration of professional nursing into clinical practice
- Psychological and cultural knowledge skills as it pertains to nursing
- Inter- and intra-professional communication and collaboration skills
- Patient data interpretation to support clinical judgment
- Electronic media and medical technology to provide quality care
- Leadership skills to delegate and supervise healthcare team members

*See college catalog for complete student learning outcomes for this program.

At SJVC, we value:

- Integrity
- Family
- Professionalism
- Communication
- Diversity
- Success

Credential and Professional Certifications
