Institutional Accreditation

San Joaquin Valley College is accredited by the WASC Senior College and University Commission (WSCUC), 1080 Marina Village Parkway, Suite 500, Alameda, CA 94501, (510)748-9001 (https://www.wscuc.org). The WSCUC is an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

California State Approval

SJVC is a private institution and is approved to operate as an accredited institution by the California Bureau of Private Postsecondary Education (BPPE). Approval to operate means that SJVC has been found in compliance with the standards set forth in the California Private Postsecondary Education Act of 2009 (as amended) and Title 5, Division 7.5, - Private Postsecondary Education of the California Code of Regulations. As a prospective student, you are encouraged to review the catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement.

Consumer Information

San Joaquin Valley College publishes important consumer information for all programs and campus locations. For comprehensive consumer information, visit https://www.sjvc.edu/admissions/consumer-information.

Train for a rewarding career in

Information Technology

SJVC's online Information Technology (IT) program provides students with the knowledge and skills for a variety of entry-level careers in the Information Technology industry.

Students who enroll in the program will take foundational courses in computer hardware, software, help desk, cloud computing, operating systems, networking, and security. They also get exposed to a real-world working environment and get experience in the field by completing a capstone help desk externship.

SJVC A PRIVATE CAREER COLLEGE

Your trusted source for online training.

SJVC provides flexible learning options allowing you to study at your convenience with online classes.

Students Learn:*

- Hardware and software installation, maintenance, and support
- Industry practices for network design, management, and security
- Best practices for technical support and customer service
- Troubleshooting, maintenance, and security for PCs, mobile devices, and peripherals
- Implementation of cloud computing and virtualization solutions
- Concepts of communication, reasoning, critical analysis, ethical behavior and appropriate interpersonal interactions in career and personal life
- Social skills, professional appearance and attitudes that employers expect of all SJVC graduates.

*See college catalog for complete student learning outcomes for this program.

At SJVC, we value:

Integrity
Family
Professionalism
Communication
Diversity
Success

Credential and Professional Certifications

Graduates earn a Certificate of Completion or an Associate of Science degree in Information Technology.

Admissions Requirements

☐ High School diploma or equivalent

☐ Wonderlic SLE assessment score of 18 or higher

See the SJVC College Catalog for additional information on institutional admission requirements.

Visit http://www.sjvc.edu/online-programs/technical-requirements for software and hardware requirements for your computer.

Career Opportunities
