

Train for a rewarding career as a Dental Assistant

SJVC's Dental Assisting (DA) program includes all aspects of working with a dentist, including patient care, office and laboratory duties.

Our balance of hands-on experience with classroom instruction covers dental assisting skills and related theory, as well as Registered Dental Assisting (RDA) licensure preparation. Whether training for a career chairside or an administrative position, students are well prepared at the program's completion.

Training Today for a Better Tomorrow

Hands-On Training

Students Learn:

- Dental Board laws and regulations
- CPR, Dental Radiology, Infection Control, Coronal Polish, Pit and Fissure Sealants
- Patient care duties and dental procedures
- Restorations, fixed prosthodontics, endodontics and orthodontic treatment
- Communication and critical analysis
- Professional skills, attitude and appearance

Credential and Professional Certifications

Graduates earn a Certificate of Completion and additional certifications:

- Dental Radiation Safety
- CPR
- Infection Control
- Dental Law and Ethics

With the completion of coronal polish and pit and fissure sealants, students are eligible to take the Dental Board of California Examination for state licensure. SJVC prepares students to take appropriate certification and licensure exams related to their individual majors. The College does not guarantee students will successfully pass these exams or be certified or licensed as a result of completing the program.

Career Information

Well-trained dental assistants can find work in dental offices and clinics, as well as laboratories and correctional facilities.*

These skilled professionals are expected to perform the following job duties:

- Provide chairside assistance to the dentist
- Take dental impressions
- Fluoride treatments
- Expose and process x-rays
- Practice infection control procedures

SJVC's Dental Assisting program prepares students for licensed Registered Dental Assisting (RDA) functions, which include coronal polishing and pit and fissure sealants.
