

Respiratory Therapy B.S. Degree

SJVC's online Bachelor of Science in Respiratory Therapy program is sequenced for work-life balance, offered online, and takes approximately 65 weeks to complete. The program is designed for the working Registered Respiratory Therapist who has graduated from a CoARC or CAAHEP accredited associate-level degree Respiratory Therapy program and is looking for career advancement opportunities in leadership, education, research and critical care in the field of Respiratory Care.

What makes SJVC's BSRT program different?

SJVC's BSRT program affords excellent opportunities for professional growth and development with the necessary education in leadership, research and critical care in the field of Respiratory Care. Our student designed research capstone project allows each student to identify an area of research interest, and produce a research project associated with the student's respiratory therapy specialty area.

What will I learn?

Graduates will be able to:

1. **Demonstrate** effective communication and presentation skills for diverse audiences.
2. **Critically** evaluate information from multiple sources for application in professional settings.
3. **Apply** current research and data interpolation techniques to identify and evaluate solutions for emergent issues impacting the profession.
4. **Assess** respiratory therapy role effectiveness as it applies to professional behavior and continuous quality and technological improvement.
5. **Utilize** evidence-based practice to evaluate, interpret, and recommend appropriate therapeutic intervention.

Admission Requirements

To be considered for admission to the Respiratory Therapy program, applicants must meet the following requirements:

- Hold an Associate of Science Degree in Respiratory Therapy, awarded by a regionally or nationally accredited institution with a CoARC or CAAHEP accredited program
- Successful completion of a minimum of 70.0 units of lower division courses (may include lower division respiratory therapy coursework)
- Hold a current credential as a Registered Respiratory Therapist (RRT), and current unencumbered licensure as a Respiratory Care Practitioner (RCP) in California or in the state of current employment

Training Today for a Better Tomorrow
