

Care for others in a rewarding medical career

Registered Nursing

SJVC's Registered Nursing (RN) program prepares students to work as a registered nurse in the health care delivery system.

The RN program is delivered over the course of four 20-week terms (a term is comparable to a semester) of nursing coursework, with a one-week break between the first three terms. At the end of the program, students will participate in a 3-day live review with ATI and final proctored comprehensive exam, for a total program length of 84 weeks.

Training Today for a Better Tomorrow

Hands-On Training

Students Learn:

- Med-Surg nursing
- Geriatric and pediatric care
- Obstetric and neonatal nursing
- Mental health care

Credentials and Professional Certifications

Graduates earn an Associate of Science Degree in Nursing (ADN) and are eligible to apply to the California Board of Registered Nursing to sit for the National Council Licensure Examination for Registered Nurses (NCLEX-RN), a requirement for practice as a registered nurse.

San Joaquin Valley College's RN program is approved by the California Board of Registered Nursing (BRN).

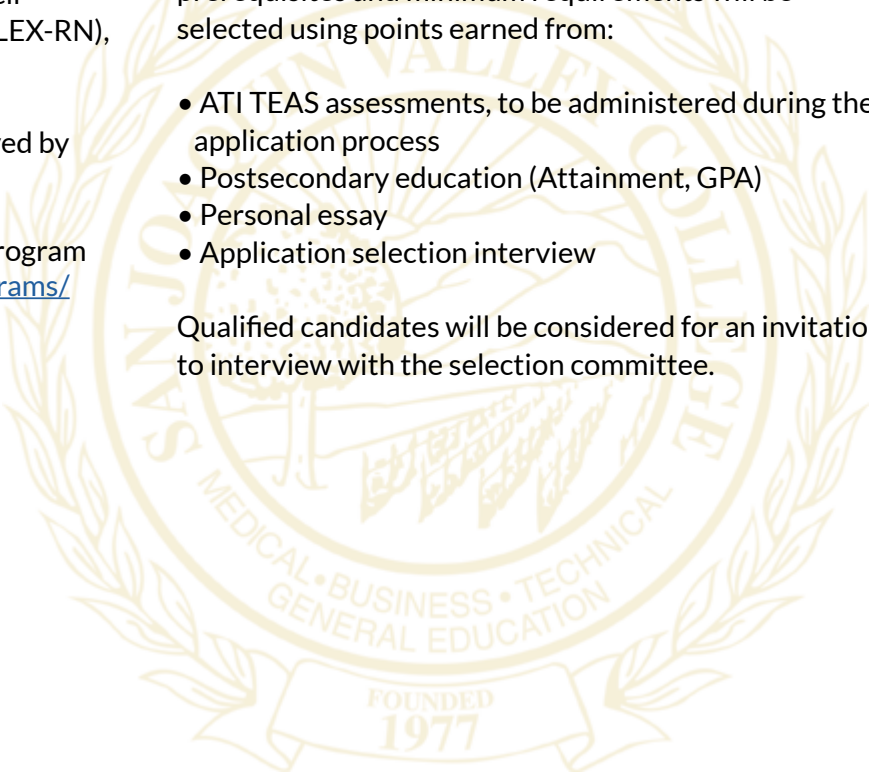

For information about application deadlines and program start dates, please visit <https://www.sjvc.edu/programs/medical-and-dental/registered-nursing>.

Application Process

The application process for the RN program is highly selective. The most qualified applicants meeting the prerequisites and minimum requirements will be selected using points earned from:
