SJVC's online Information Technology (IT) program prepares students for entry-level positions in IT. Designed to help students earn the industry specific certifications related to their chosen career path, the program offers a variety of 20, 25 and 30-week certificate choices and a 60-week A.S. degree option.

Graduates of SJVC's Information Technology program can qualify for work in the following career fields including:

• Computer User Support Specialists
• Computer Network Support Specialists
• Computer Systems Analysts
• Information Security Analysts
• Network and Computer Systems Administrators
• Network Engineer

CompTIA A+
CompTIA Network+
CompTIA Security+

SJVC
A PRIVATE JUNIOR COLLEGE

Training Today for a Better Tomorrow

Computer User Support Specialists
- Resolve user inquiries regarding computer software or hardware operation
- Oversee the daily performance of computer systems
- Set up equipment for employee use, performing proper installation of cables, operating systems, or appropriate software

Computer Network Support Specialists
- Perform network data backups
- Configure security settings or access permissions for groups or individuals.
- Problem solve networking issues, using diagnostic software and equipment

Institutional Accreditation

San Joaquin Valley College is accredited by the WASC Senior College and University Commission (WSCUC), 985 Atlantic Avenue, Suite 100, Alameda, CA 94501, (510)748-9001 and also the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, 10 Commercial Blvd., Suite 204, Novato, CA 94949, (415) 506-0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education. Additional information about accreditation, including the filing of complaints against member institutions, can be found at www.accjc.org.

California State Approval

SJVC is a private institution and is approved to operate as an accredited institution by the California Bureau of Private Postsecondary Education (BPPE). Approval to operate means that SJVC has been found in compliance with the standards set forth in the California Private Postsecondary Education Act of 2009 (as amended) and Title 5, Division 7.5, - Private Postsecondary Education of the California Code of Regulations. As a prospective student, you are encouraged to review the catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement.
