

Care for animals in a rewarding career Veterinary Technology

SJVC's Veterinary Technology program prepares students with the skills to help animals when they need it most. This in-depth training covers animal patient care including, but not limited to, anatomy and physiology, animal nursing and care, exotic and large animal skills, pharmacology, surgical assisting, laboratory procedures, and communication skills.

Veterinary Technicians are prepared to carry out multiple tasks in an animal hospital, clinic or veterinary reception environment. They may perform laboratory tests, administer vaccines, monitor anesthesia, assist in surgery, take x-rays, medicate and care for patients, and maintain hospital cleanliness.

Training Today for a Better Tomorrow

Hands-On Training

Students Learn:

- Calculation, preparation, and dispensation of medications
- Anesthetic implementation for diagnostic or surgical procedures
- Pre-, peri-, and post-operative management of surgical patients
- Dental procedures, including a Complete Oral Health Assessment and Treatment (COHAT)
- Performing and reading laboratory tests/procedures and results
- Concepts of animal care and nursing
- Diagnostic imagery and radiograph protocols for operator/patient safety
- Patient evaluation for urgent or emergency care

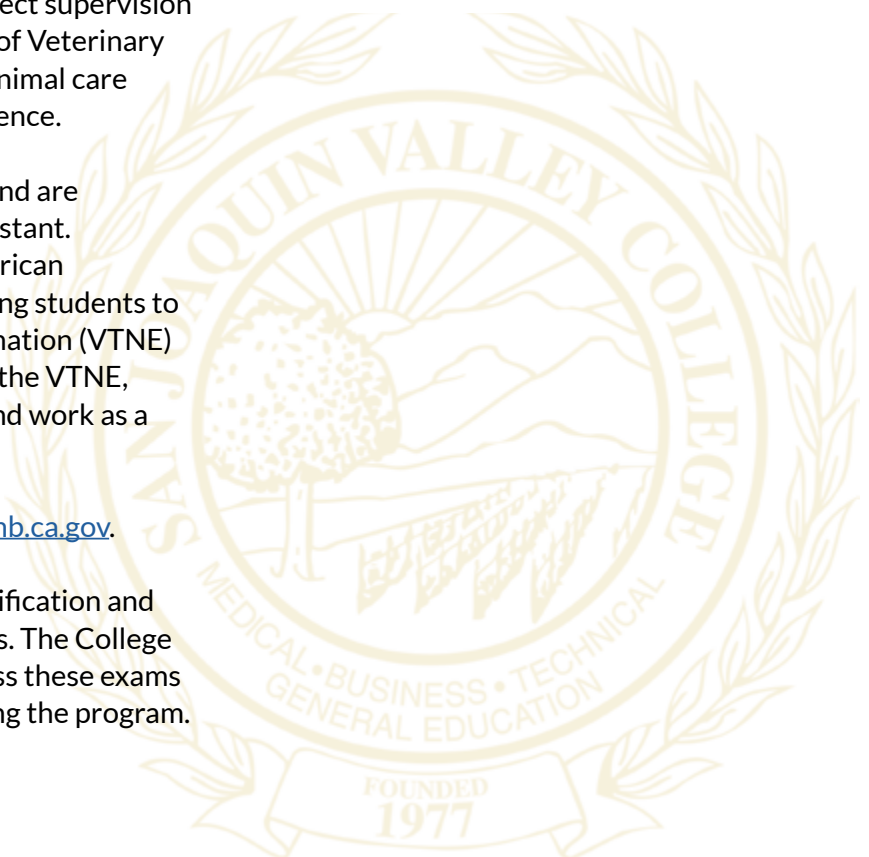

Credential and Professional Certifications

Students receive hands-on training under the direct supervision of a Registered Veterinary Technician or Doctor of Veterinary Medicine. Externship rotations include various animal care environments to give students real-world experience.

Graduates earn an Associate of Science degree and are immediately eligible to work as a Veterinary Assistant. This program holds full accreditation by the American Veterinary Medical Association (AVMA), qualifying students to sit for the Veterinary Technician National Examination (VTNE) after graduation. Upon successful completion of the VTNE, graduates are eligible to obtain state licensure and work as a Registered Veterinary Technician (RVT).

For more information, please visit <http://www.vmb.ca.gov>.

SJVC prepares students to take appropriate certification and licensure exams related to their individual majors. The College does not guarantee students will successfully pass these exams or be certified or licensed as a result of completing the program.
