

Care for animals in a rewarding career Veterinary Technology

SJVC Ontario's Veterinary Technology program prepares students with the basic knowledge and practical training necessary to function as an entry-level employee in a veterinary medical setting. The Veterinary Technology (VT) program includes clinical rotation and field experience during an externship. This program prepares graduates to sit for the Veterinary Technician National Examination. The VT program has a companion animal emphasis and is not intended as a pre-veterinary program.

Veterinary technicians typically work under the supervision of a licensed veterinarian doing clinical work such as performing various medical tests and treating medical conditions and diseases in animals. They also perform laboratory tests and take blood samples, assist with dental care, prepare tissue samples and assist veterinarians in a variety of other diagnostic tests and procedures. Veterinary technicians work in all phases of animal care, including surgical nursing, laboratory procedures, and office administration. Employment opportunities include positions in veterinary offices or hospitals, biomedical research institutions and the pharmaceutical and pet-care industries.

Training Today for a Better Tomorrow

Hands-On Training

Students Learn:

- Administrative, clinical, nursing, and surgical assisting procedures in a veterinary medical setting
- Critical thinking, collaboration, communication, and professionalism

Students receive hands-on training and participate in an externship. Externship rotations include various animal care environments to give students real-world experience.

Credential and Professional Certifications

Students receive hands-on training under the direct supervision of a Registered Veterinary Technician or Doctor of Veterinary Medicine. Externship rotations include various animal care environments to give students real-world experience.

Graduates earn an Associate of Science degree and are immediately eligible to work as a Veterinary Assistant. This program holds full accreditation by the American Veterinary Medical Association (AVMA), qualifying students to sit for the Veterinary Technician National Examination (VTNE) after graduation. Upon successful completion of the VTNE, graduates are eligible to obtain state licensure and work as a Registered Veterinary Technician (RVT).

For more information, please visit <http://www.vmb.ca.gov>.

SJVC prepares students to take appropriate certification and licensure exams related to their individual majors. The College does not guarantee students will successfully pass these exams or be certified or licensed as a result of completing the program.

Career Information

Veterinary Technicians provide support to a veterinarian in the treatment of animals. Graduates can also find work in animal shelters, zoos, and research facilities and are prepared to perform the following job duties:

- Monitor animals under anesthesia
- Perform pre and post operative procedures
- Bathe, comfort, medicate and care for sick and recovering animals
- Perform laboratory tests
- Perform dental procedures, oral health assessments

Admissions Requirements

- High school diploma or equivalent
- Be 18 years old on the first day of classes

Applicants must have reliable plans for transportation, child care and time to devote to school work outside of scheduled class hours.

Core Course Requirements*

Course ID	Course Name	Credit Units
AS 110	Introduction to the Veterinary Hospital	3.0
AS 111	Basic Anatomy and Physiology	3.0
VT 120	Veterinary Applied Sciences	3.0
VT 121	Companion Animal Diseases	3.0
VT 122	Clinical Procedures 1	3.0
VT 123	Clinical Rotation	0.5
VT 130	Surgical Assisting	3.0
VT 131	Anesthesia for Veterinary Technicians	3.0
VT 132	Clinical Procedures 2	3.0
VT 133	Clinical Rotation	1.0
VT 140	Large Animal Medicine	3.5
VT 141	Veterinary Technology Specialties	3.5
VT 142	Advanced Clinical Procedures and Surgery	4.0
VT 143	Clinical Rotation	1.0
VT 150	Licensure Exam Comprehensive Review	4.0
VT 105	VT Externship	4.0
Total		45.5

General Education Requirements*

Course ID	Course Name	Credit Units
COMP 101	Computer Literacy and Applications for the Professional	3.0
ENG 122**	Composition and Reading – Part B	3.0
HUMN 125	Intercultural Communication	3.0
MTH 121	College Algebra – Part A	3.0
MTH 122	College Algebra – Part B	3.0
PSY 200	Team Dynamics	3.0
Total		18.0
A.S. Degree Total		63.5
