

SAN JOAQUIN VALLEY COLLEGE

SUPPLEMENT TO THE 2022 COLLEGE CATALOG

SUPPLEMENT TO THE 2022 COLLEGE CATALOG

This document is a supplement to the 2022 College Catalog and is provided for the purpose of notifying students of corrections and/or updates to College policy, programs, courses, admissions and graduation requirements which have occurred since the Catalog's publication.

This is a living document; revisions will be added until publication of the next Catalog.

SECTION 1: INTRODUCTION TO SAN JOAQUIN VALLEY COLLEGE

THE HISTORY OF SAN JOAQUIN VALLEY COLLEGE

REVISION: This section has been annotated to reflect that the **Atascadero campus** is not currently enrolling new students. (Catalog p. 13, rev. 8.19.22)

STATE DISCLOSURES

REVISION: The State Disclosure for Iowa has been revised, as set forth below. (Catalog p. 11, rev. 8.19.22)

Iowa

SJVC is registered with the Iowa College Student Aid Commission (Iowa College Aid) for its programs offered through the Online Division. Pursuant to Iowa Code Section 261.9(1) "g" Iowa's military deployment tuition and fee refund policy for students is as follows:

A policy to offer not less than the following options to a student who is a member, or the spouse of a member if the member has a dependent child, of the Iowa national guard or reserve forces of the United States and who is ordered to state military service or federal service or duty:

- i. Withdraw from the student's entire registration and receive a full refund of tuition and mandatory fees.
- ii. Make arrangements with the faculty member for the student's course grades, or for incompletes that shall be completed by the student at a later date. If such arrangements are made, the student's registration shall remain intact and tuition and mandatory fees shall be assessed for the courses in full.
- iii. Make arrangements with only some of the faculty teaching courses in which the student was enrolled for grades, or for incompletes that shall be completed by the student at a later date. If such arrangements are made, the registration for those courses shall remain intact and tuition and mandatory fees shall be assessed for those courses. Any course for which arrangements cannot be made for grades or incompletes shall be considered dropped and the tuition and mandatory fees for the course refunded.

Pursuant to Iowa code, tuition reimbursement for non-military Iowa students is as follows: SJVC shall provide to a terminating Iowa student a refund of tuition charges in an amount that is not less than ninety-five percent (95%) of the amount of tuition charged to the student multiplied by the ratio of the remaining number of calendar days in the school period to the total number of calendar days in the school period. Students residing in Iowa who have questions or complaints about this institution may contact the Iowa College Student Aid Commission at 430 East Grand Avenue, Floor 3, Des Moines, IA 50309-1920, toll-free telephone number (877) 272- 4456.

SJVC LOCATIONS AND PROGRAM OFFERINGS

REVISION: The **Atascadero campus listing** has been annotated to reflect that the campus is not currently enrolling new students. (Catalog p. 13, rev. 8.19.22)

REVISION: The **Bakersfield campus listing** has been corrected to include the **Maintenance Technician Certificate of Completion** program. (Catalog p. 13, rev. 8.19.22)

REVISION: The **Fresno Trades Education Center listing** has been annotated to reflect that the campus is not currently enrolling new students in the **Maintenance Technician Certificate of Completion** program. (Catalog p. 14, rev. 8.19.22)

REVISION: Registered Nursing has been added to the list of Associate of Science degree programs offered at the Rancho Mirage campus. (Catalog p. 15, rev. 9.12.22)

REVISION: Trades Studies has been added to the list of Associate of Science degree programs offered through the Online Division. (Catalog p. 15, rev. 10.4.22)

SECTION 2: ADMISSIONS

COLLEGE HEALTH INSURANCE REQUIREMENTS

REVISION: A disclosure has been added regarding proof of health insurance for clinical assignments, as set forth below. (Catalog p. 22, rev. 8.19.22)

College Health Insurance Requirements

Students may be required by clinical sites to provide proof of health insurance coverage for the duration of clinical assignments.

ADMISSIONS PROCEDURES AND REQUIREMENTS

REVISION: Entrance examination requirements have been revised to reflect the addition of the Respiratory Therapy and Surgical Technology Associate of Science degree programs to the table below. (Catalog p. 19, rev. 8.19.22)

Applicants for all on ground programs (with the exception of Dental Hygiene, Diagnostic Medical Sonography, Registered Nursing, Vocational Nursing, and Vocational Nursing [Weekend & Evening]) are required to take the Wonderlic Scholastic Level Exam (SLE) prior to enrolling. Following are the minimum scores for each program:

Program	Minimum Score
Business Office Administration	12
Clinical & Administrative Medical Assisting	
Clinical Medical Assisting	
Dental Assisting	
Medical Office Administration	
Pharmacy Technician/Technology	
Aviation Maintenance Technology	14
Construction Management (AS degree program only)	
Electrical Technology	
Heating, Ventilation, Air Conditioning, and Refrigeration	
Maintenance Technician	
Veterinary Assistant/Technology	15
Respiratory Therapy (AS degree program only)	20
Surgical Technology	

REVISION: Entrance examination requirements have been revised to reflect the removal of the Respiratory Therapy and Surgical Technology Associate of Science degree programs from the table below. (Catalog p. 20, rev. 8.19.22)

Program	Entrance Exam
Dental Hygiene	Accuplacer
Registered Nursing	Test of Essential Academic Skills (TEAS)
Registered Nursing – LVN to RN Bridge	ATI Fundamentals Text 2019
Vocational Nursing; Vocational Nursing (Weekend & Evening)	Wonderlic Basic Skills Test (WBST) <u>and</u> Test of Essential Academic Skills (TEAS)
Diagnostic Medical Sonography	Wonderlic Basic Skills Test (WBST)

REVISION: The 2023 (inaugural) start date for the **Registered Nursing Associate of Science** degree program have been added to the table of linear program start dates. (Catalog p. 24, rev. 9.12.22)

REGISTERED NURSING
Ontario and Visalia Campuses
04/05/2022
Rancho Mirage Campus
8/29/23

TUITION

REVISION: Tuition for the Online Division has been revised, as set forth below. (Catalog p. 30, rev. 7.29.22)

ONLINE DIVISION

ONLINE DIVISION

REVISION: Tuition for the **Fresno Trades Education Center** location has been annotated to reflect that the **Maintenance Technician Certificate of Completion** program is not currently enrolling new students. (Catalog p. 26, rev. 8.19.22)

REVISION: The annotation in the tuition chart that indicates the **Pharmacy Technology** certificate program is eligible for Workforce Agency contracted total program cost has been removed. (Catalog, Section 2, **Tuition**, p. 26-29, rev. 10.4.22)

SECTION 4: INSTITUTIONAL POLICIES

TECHNOLOGY POLICIES

REVISION: The **Policy Concerning On-Campus Audio, Video, and Photographic Recordings** has been added, as set forth below. (Catalog p. 46, rev. 9.23.22)

Purpose and Scope of Policy

SJVC seeks to promote open communication among faculty, staff, and students, and to protect the integrity of classroom instruction and activities, clinical experiences, and externships. This policy governs all interactions on campus, including, but not limited to, classroom instruction, course materials presented by faculty, student presentations, and counseling sessions as well as off-campus student activities such as clinical instruction and rotations, field trips, and externships.

Audio recording without consent of the other party to the recording is illegal in California pursuant to California's wiretapping law. In the modern age of technology and with the use of mobile devices, "two-party consent" laws are interpreted to require that all participants give their consent to be recorded before recording is permissible. This law does not apply where there is "no expectation of privacy." Faculty, staff, and students enjoy an expectation of privacy inside SJVC's campuses unless advanced consent to record is obtained from participants, or the campus has posted warnings advising that recordings are taking place.

Recording Policy

Unless expressly allowed by the instructor, SJVC prohibits any recording (audio, video or photographic) of a class. Permission to record a class lecture applies exclusively to the student who received permission from the instructor. The recording may not be accessed or utilized by any other individual or replicated without the express permission of the instructor. Recordings shall not be posted to any form of digital media. Students are strictly prohibited from recording seminars by guest lecturers, lab sessions, assessments, field trips, clinicals, externships, any other classroom activities, or any private meetings or conversations among faculty, staff, and students in the academic context.

Accommodated Students

For students who are permitted to make recordings of classes as an approved disability accommodation, authorized recordings may be used only for the purpose of the student's study in the course and may not be replicated or shared with others on or off campus unless the instructor has given express permission to do so. Classes should not be recorded until the Campus President or Campus Director has notified the student that their instructors have been informed that a student with an approved disability accommodation is enrolled in their courses and has permission to record classes. Students needing a disability accommodation, including, but not limited to, the need to record a class session, should contact SJVC's Student Services Coordinator at StudentServicesOffice@sjvc.edu.

Remote Academic Sessions

In the event you are participating in a remote academic session, the **Remote Academic Sessions and Recording Policy** dated July 7, 2020 applies. This policy can be found here: [InfoZone>Information Center>SJVC Publications](#).

Disciplinary Action

Failure to adhere to this policy may result in the loss of recording privileges and subject the student to disciplinary actions pursuant to SJVC's Student Code of Conduct.

REVISION: The section entitled **Personal Technology Devices** has been revised, as set forth below. (Catalog, p. 46, rev. 9.23.22)

Following are the guidelines for use of PTDs on campus:

- PTDs must be silenced during class time and may only be used with the express permission of the faculty member teaching the course.
- Students are expected to adhere to the **Policy Concerning On-Campus Audio, Video, and Photographic Recordings** at all times while on campus.
- SJVC assumes no responsibility for lost, stolen, or damaged PTDs.
- Students may not use their PTDs outside the classroom for non-educational purposes while on the SJVC wireless network.
- All terms and conditions of the Computer and Email Use Policies apply to students' use of the SJVC wireless network on their PTDs. See Catalog – Technology Policies.
- Students are not to share the ID and password for the wireless network with non-SJVC users.

REVISION: The section entitled **Recording** has been revised, as set forth below. (Catalog p. 47, rev. 9.23.22)

Recording

Students are expected to adhere to the **Policy Concerning On-Campus Audio, Video, and Photographic Recordings** at all times while on campus.

SECTION 6: ACADEMIC POLICIES & REGULATIONS

ATTENDANCE POLICY

REVISION: The **attendance policy specific to online courses** has been revised, as set forth below. (Catalog p. 55, rev. 7.29.22)

Online Courses

For those students enrolled in a course or courses offered through SJVC's Online Division, attendance is counted by submission of a gradable assignment to the course.

SECTION 7: BACCALAUREATE DEGREE, ASSOCIATE DEGREE, AND CERTIFICATE PROGRAMS

CAREER ACADEMY

REVISION: The Career Services Seminar (CSS 100) has been replaced with the **Career Academy**, an innovative online career-readiness platform in which students earn badges and complete specific tasks in preparation for the job search process. **This revision is in effect beginning with the August 22, 2022 module. As such:**

- Students who are currently enrolled in the CSS 100 course will complete that course.
- Students who are not currently enrolled in CSS 100 but who will come within 15-20 weeks of graduation prior to the August 22 launch may choose to complete either the CSS 100 course or the Career Academy.
- Students who are not enrolled in CSS 100 prior to the August 22 launch may have already completed some tasks in the Career Academy during their program of study. Those students will retain credit for any tasks completed and retain any badges earned.

REVISION: All instances of CSS 100: Career Services Seminar as listed in **Graduation Requirements**, or those denoted as having an equivalent fulfillment course in **Core Course Requirements*** on program description pages have been replaced with **Career Academy**. (Catalog p. 81-165, rev. 7.29.22)

*These include Aviation Maintenance Technology (Associate of Science and Certificate); Dental Hygiene; Registered Nursing (Associate of Science and Certificate); and Vocational Nursing.

GRADUATION REQUIREMENTS FOR THE BACHELOR OF SCIENCE DEGREE

REVISION: The bullet-listed **Graduation Requirements for the Bachelor of Science Degree** have been revised, as set forth below. All other information remains unchanged. (Catalog p. 77, rev. 7.29.22)

A Bachelor of Science degree will be awarded to students who fulfill the following requirements:

- Completion of a *minimum* of 120 units of coursework; may be combination of transfer units and bridge program
- Completion of program and general education coursework
- 2.0 cumulative grade point average
- Completion of a professional résumé
- Exit interview
- Completion of the prescribed number of Graduate Readiness badges for their program
- Proficiency in General Education as defined below (*see full page for additional information*)

GRADUATION REQUIREMENTS FOR THE ASSOCIATE OF SCIENCE DEGREE

REVISION: Graduation Requirements for the Associate of Science Degree have been revised to reflect the replacement of the Career Services Seminar (CSS 100) with the **Career Academy**, as set forth below. (Catalog p. 135, rev. 7.29.22)

Career Academy

The Career Services Department partners students with the Career Academy to prepare students for the job search process. Utilizing an innovative, interactive hub, students will:

- Engage in a variety of professional development games and activities
- Complete the prescribed number of Graduate Readiness badges for their program
- Create high-quality professional résumés highlighting the skills acquired throughout their program
- Participate in mock interview sessions to develop effective interviewing skills

A final exit interview will capstone the student's preparedness for interviewing with potential employers.

Successful completion of each of these items is a graduation requirement.

GRADUATION REQUIREMENTS FOR THE CERTIFICATE OF COMPLETION

REVISION: Graduation Requirements for the Certificate of Completion have been revised to reflect the replacement of the Career Services Seminar (CSS 100) with the **Career Academy**, as set forth below. (Catalog p. 166, rev. 7.29.22)

Career Academy

The Career Services Department partners students with the Career Academy to prepare students for the job search process. Utilizing an innovative, interactive hub, students will:

- Engage in a variety of professional development games and activities
- Complete the prescribed number of Graduate Readiness badges for their program
- Create high-quality professional résumés highlighting the skills acquired throughout their program
- Participate in mock interview sessions to develop effective interviewing skills

A final exit interview will capstone the student's preparedness for interviewing with potential employers.

Successful completion of each of these items is a graduation requirement.

DIAGNOSTIC MEDICAL SONOGRAPHY

REVISION: Completion of CSS 100: Career Services Seminar (for students currently enrolled in CSS 100) or the Career Academy (for students not enrolled in CSS 100) has been added as a **Graduation Requirement** for the **Diagnostic Medical Sonography** program. (Catalog p. 94, rev. 7.29.22)

CONSTRUCTION MANAGEMENT

REVISION: The program page for the **Bachelor of Science in Construction Management** has been revised, as set forth below. (Catalog p. 69, rev. 7.29.22)

Construction Management

This program is offered through the **Online Division**.

Program Description

The Bachelor of Science degree in Construction Management program prepares graduates to competitively enter the construction management field. Students are provided with comprehensive instruction on a wide variety of topics available to the construction industry, and are trained to prepare competitive project proposals, supervise construction sites, and effectively communicate with clients and workers. Students are prepared for the management responsibilities they will face on the job at construction sites. Freshman applicants (those entering without a previously earned Associate of Science degree in Construction Management) may complete this program in 135 weeks. A bridge option that requires previous completion of an Associate of Science degree in Construction Management is also available and may be completed in 75 weeks.

Program Student Learning Outcomes

Upon completion of this program, the successful student will be able to:

1. Demonstrate effective communication and presentation skills for diverse audiences.
2. Critically evaluate information from multiple sources for application in construction management.
3. Identify emergent issues impacting the construction profession and evaluate solutions utilizing relevant data interpretation techniques.
4. Apply critical thinking to enhance decision-making skills related to the management of residential, commercial, private, and public projects.
5. Apply advanced estimating, scheduling, and financial management skills to ensure the successful outcomes of construction projects.
6. Utilize advanced knowledge of legal and environmental factors to create safe, sustainable, ethical, legally compliant, and lawfully administered projects.

Admission Requirements

To be considered for admission to the Bachelor of Science degree in Construction Management program, applicants must meet the following requirements:

Freshman Applicants

- Must meet all institutional admissions requirements as set forth in Section 2 of the College Catalog

Transfer Applicants

- Hold an Associate of Science degree in Construction Management from an institution of higher learning accredited by an agency that is recognized by the United States Department of Education.
 - All incoming course credit is subject to evaluation for equivalency pursuant to the Transfer of Credit policy as set forth in Section 2 of the College Catalog
- Have successfully completed a minimum of 60.0 units of lower-division coursework

Graduation Requirements: Successful completion of the course requirements with a grade of "C" or higher.

Credential and Professional Certifications

Graduates earn a Bachelor of Science degree in Construction Management.

Graduate Employment

The following job categories are considered in-field placements for graduates of the Bachelor of Science degree in Construction Management program. Detailed information for each Standard Occupational Classification (SOC) can be found at <http://www.onetonline.org/>.

- Construction Managers (11-9021.00)
- Cost Estimator (13-1051.00)
- First Line Supervisors of Construction Trades and Extraction Workers (47-1011.00)
- General and Operations Managers (11-1021.00)
- Purchasing Agents, Except Wholesale, Retail, and Farm Products (13-1023.00)

Freshman Applicants

DENTAL HYGIENE

REVISION: The program description for the **Bachelor of Science in Dental Hygiene** has been revised, as set forth below. (Catalog p. 69, rev. 7.29.22)

Program Description

SJVC's Bachelor of Science in Dental Hygiene program may be completed in 50 weeks. This is a bridge program requiring completion of a lower-level degree prior to enrolling, and is designed for Registered Dental Hygienists having graduated from a CODA-accredited associate degree Dental Hygiene program who want to advance their career. The Bachelor of Science Degree in Dental Hygiene affords excellent opportunities for professional growth and development with education in leadership, education, and research.

REVISION: General Education Course Requirements have been revised to reflect the course change below. **This revision is effective with the 12.5.22 module.** (Catalog p. 70, rev. 8.19.22)

Previous Course:	New Course:
PHIL 300: Critical Thinking for Health Professionals 4 units / 60 lecture hours	PHIL 301: Critical Thinking for Professionals 4 units / 60 lecture hours

HEALTH CARE MANAGEMENT

REVISION: The program description for the **Bachelor of Science in Health Care Management** has been revised, as set forth below. (Catalog p. 71, rev. 7.29.22)

Program Description

SJVC's Bachelor of Science Degree in Health Care Management may be completed in 75 weeks. This is a bridge program requiring completion of a lower-level degree prior to enrolling, and is designed for healthcare professionals who want to advance their career and who have earned an associate of science degree from an institution of higher learning accredited by an agency that is recognized by the United States Department of Education. The Bachelor of Science Degree in Health Care Management affords excellent opportunities for professional growth and development with education in leadership and management, finance, and human resources.

REVISION: General Education Course Requirements have been revised to reflect the course change below. **This revision is effective with the 12.5.22 module.** (Catalog p. 72, rev. 8.19.22)

Previous Course:	New Course:
PHIL300: Critical Thinking for Health Professionals 4 units / 60 lecture hours	PHIL301: Critical Thinking for Professionals 4 units / 60 lecture hours

HUMAN RESOURCES ADMINISTRATION

REVISION: The course title for **PSY 1: Introduction to Psychology** has been corrected to **PSY 1: General Psychology** in **General Education Course Requirements**. (Catalog p. 103, rev. 9.12.22)

MEDICAL BILLING AND CODING

REVISION: The **Bridge Course** option (MBC 101: Medical Billing Coding Requisites) has been removed from the Medical Billing and Coding Associate of Science degree and Certificate of Completion program pages. (Catalog p. 108, 155, rev. 9.12.22)

RESPIRATORY THERAPY

REVISION: The program description for the **Bachelor of Science in Respiratory Therapy** has been revised, as set forth below. (Catalog p. 73, rev. 7.29.22)

Program Description

SJVC's Bachelor of Science in Respiratory Therapy program may be completed in 65 weeks. This is a bridge program requiring completion of a lower-level degree prior to enrolling, and is designed for Registered Respiratory Therapists who want to advance their career and who have earned an associate of science degree from an institution of higher learning accredited by an agency that is recognized by the United States Department of Education. The Bachelor of Science Degree in Respiratory Therapy affords excellent opportunities for professional growth and development with the necessary education in leadership, education, research and critical care.

REVISION: The "State Licensure" information on the **Respiratory Therapy Associate of Science** degree program page has been redesignated as "Credentialing" and has been revised, as set forth below. (Catalog p. 121, rev. 7.29.22)

Credentialing

Graduates are eligible to sit for the National Board for Respiratory Care (NBRC): Therapist Multiple Choice Exam (TMC). Upon achieving the high cut score on the TMC, graduates will be eligible to take the Clinical Simulation Exam (CSE). Upon successfully passing the CSE, the graduate earns the Registered Respiratory Therapy (RRT) credential. The RRT credential is the minimum entry requirement for licensure in California.

Graduates who earn the RRT credential by the National Board for Respiratory Care and are licensed by the California Respiratory Care Board are authorized to use the title "Licensed Respiratory Care Practitioner," which is a requirement to work in this field.

Earned NBRC credentials are nationally recognized and recognized by all states.

REVISION: The Program Goal has been added to the **Respiratory Therapy Associate of Science** degree program page. (Catalog p. 121, rev. 9.12.22)

Program Goal

The San Joaquin Valley College (SJVC) Respiratory Therapy (RT) program goal is to prepare graduates with demonstrated competence in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains of respiratory care practice as performed by registered respiratory therapists (RRTs).

HEALTH STUDIES

REVISION: The program description for the Health Studies Associate of Science degree program has been revised, as set forth below. (Catalog p. 98, rev. 7.29.22)

Program Description

SJVC's Health Studies program may be completed in 25 weeks. The program is designed for healthcare professionals who want to advance their career and who have earned a certificate of completion in Clinical Medical Assisting, Dental Assisting, Medical Billing and Coding, Medical Office Administration, or Pharmacy Technology from **San Joaquin Valley College**. The Health Studies Associate of Science degree affords excellent opportunities for professional growth and development through instruction in general education coursework designed to produce the competencies of higher education that employers expect of college graduates.

REVISION: Admissions Requirements for the Health Studies Associate of Science degree program have been revised, as set forth below. (Catalog p. 98, rev. 7.29.22)

Admission Requirements

To be considered for admission to the Health Studies program, applicants must meet the following requirements:

- Successful completion of a certificate program in Clinical Medical Assisting, Dental Assisting, Medical Billing and Coding, Medical Office Administration, or Pharmacy Technology from **San Joaquin Valley College**.
- Successful completion of a minimum of 30.0 units of lower-division courses.

REGISTERED NURSING

REVISION: The **Registered Nursing Associate of Science** degree program has been added to the Table of Contents for the Rancho Mirage campus. (Catalog p. 79, rev. 9.12.22)

REVISION: The Rancho Mirage campus has been added to the **Registered Nursing Associate of Science** degree program page as a location offering the program. (Catalog p. 114, rev. 9.12.22)

Registered Nursing

An Associate Degree in Nursing (ADN) (also referred to as the generic program) is offered at the **Ontario, Rancho Mirage, and Visalia** campuses.

REVISION: The **Registered Nursing Certificate of Completion** program has been added to the Table of Contents for the Rancho Mirage campus. (Catalog p. 137, rev. 9.12.22)

REVISION: The Rancho Mirage campus has been added to the **Registered Nursing Certificate of Completion** program page as a location offering the program. (Catalog p. 161, rev. 9.12.22)

Registered Nursing

A Certificate of Completion in Registered Nursing is available to California Licensed Vocational Nurses. This program is offered at the **Ontario, Rancho Mirage, and Visalia** campuses.

TRADES STUDIES

REVISION: An Associate of Science degree in Trades Studies program has been added to the programs offered through the Online Division, as set forth below. **This revision is in effect with the 12/5/2022 start date.** (Catalog p. 125, rev. 10.4.22)

Trades Studies

This program is offered through the **Online Division**.

Program Description

SJVC's Trades Studies program may be completed in 25 weeks. The program is designed for trades professionals who want to advance their career and who have earned a certificate of completion in Electrical Technology; Heating, Ventilation, Air Conditioning, and Refrigeration; or Maintenance Technician from **San Joaquin Valley College**. The Trades Studies Associate of Science degree affords excellent opportunities for professional growth and development through instruction in general education coursework designed to produce the competencies of higher education that employers expect of college graduates.

Program Learning Outcomes

Upon completion of the program, the successful student will be able to:

1. Relate and apply concepts of communication, reasoning, critical analysis, ethical behavior and appropriate interpersonal interaction to situations in his or her career and personal life.
2. Demonstrate the social skills, professional appearance, attitudes, and behavior that employers expect of all **SJVC** graduates.

Additionally, the general education coursework in the Trades Studies program leads students directly to the success of the Institutional Learning Outcomes (ILOs) and Co-Curricular Learning Outcomes (CCLOs) of **SJVC**. The ILOs state that all graduates will be able to demonstrate skills in critical thinking, written and oral communication, quantitative reasoning, and information literacy. Equally important are the CCLOs: professionalism, intercultural awareness, self-awareness and learning, responsible citizenship, and leadership and teamwork. The courses taken in this program play a vital role in helping students accomplish these outcomes.

Admission Requirements

To be considered for admission to the Trades Studies program, applicants must meet the following requirements:

- Successful completion of a certificate program in Electrical Technology; Heating, Ventilation, Air Conditioning, and Refrigeration; or Maintenance Technician from **SJVC**.
- Successful completion of a minimum of 30.0 units of lower-division courses.

Graduation Requirements

- Successful completion of the courses listed below

Credential and Professional Certifications

Graduates earn an Associate of Science in Trades Studies.

Graduate Employment

The following job categories are considered in-field to calculate the graduate employment rates required by the state of California for graduates of the Trades Studies program. Detailed information for each Standard Occupational Classification (SOC) can be found at <http://www.onetonline.org/>.

Electrical Technology Certificate Track:

- Electricians (47-2111.00)
- Electric Motor, Power Tool, and Related Repairers (49-2092.00)
- Electrical and Electronics Repairers, Commercial and Industrial Equipment (49-2094.00)
- Electrical Engineering Technicians (17-3023.03)
- Sales Representatives, Wholesale and Manufacturing, Technical and Scientific Products (41-4011.00)
- Security and Fire Alarm Systems Installers (49-2098.00)
- Solar Thermal Installers and Technicians (47-4099.02)
- Signal and Track Switch Repairers (49-9097.00)
- First-Line Supervisors of Construction Trades and Extraction Workers (47-1011.00)

Heating, Ventilation, Air Conditioning, and Refrigeration Certificate Track:

- Heating, Air Conditioning, and Refrigeration Mechanics and Installers (49-9021.00)
- Maintenance and Repair Workers, General (49-9071.00)
- Sales Representatives, Wholesale and Manufacturing, Technical and Scientific Products (41-4011.00)

Maintenance Technician Certificate Track:

- Electric Motor, Power Tool, and Related Repairers (49-2092.00)
- Electrical and Electronics Repairers, Commercial and Industrial Equipment (49-2094.00)
- Helpers-Installation, Maintenance & Repair Workers (49-9098.00)
- Maintenance Workers, Machinery (49-9043.00)
- Multiple Machine Tool Setters, Operators, and Tenders, Metal and Plastic (51-4081.00)

General Education Course Requirements

Course ID	Course Name	Credit Units
ENG 121	Composition & Reading – Part A	3.0
ENG 122	Composition & Reading – Part B	3.0
CON 136	Construction & Labor Laws	3.0
CON 117	Construction Documents and Methods	3.0
MTH 121	College Algebra – Part A	3.0
MTH 122	College Algebra – Part B	3.0
NSC 1	Introduction to the Natural Sciences	3.0
PHIL 1C	Ethics	3.0
PSY 1	General Psychology	3.0
SOC 1	Introduction to Sociology	3.0
Minimum Program Units		30.0
Total Prerequisites		30.0
Program Total		60.0

PROGRAMS LEADING TO A CERTIFICATE OF COMPLETION

REVISION: The Table of Contents for the Programs Leading to a Certificate of Completion has been annotated to reflect that the **Atascadero campus** is not currently enrolling new students. (Catalog p. 137, rev. 8.19.22)

REVISION: The Table of Contents for the Programs Leading to a Certificate of Completion has been annotated to reflect that the **Fresno Trades Education Center** location is not currently enrolling new students in the **Maintenance Technician Certificate of Completion** . (Catalog p. 137, rev. 8.19.22)

REVISION: The program pages for the **Business Office Administration, Clinical Medical Assisting, and Medical Office Administration Certificate of Completion** programs have been annotated to reflect that the **Atascadero campus** is not currently enrolling new students. (Catalog p. 142, 144, and 157, rev. 8.19.22)

REVISION: The program pages for the **Maintenance Technician Certificate of Completion** program have been annotated to reflect that the program is not currently enrolling new students at the **Fresno Trades Education Center** location. (Catalog p. 142, 144, 157, rev. 8.19.22)

GENERAL EDUCATION FOR NON-DEGREE-SEEKING STUDENTS

REVISION: The Rancho Mirage campus has been added as a location offering 10-week science courses for non-degree-seeking students. (Catalog p. 136, rev. 9.30.22)

Science Courses

Science courses are ten weeks in length and are offered as standalone courses at the Bakersfield, Ontario, Rancho Mirage, and Visalia campuses. **Campus offerings vary**; please contact the Admissions office at the campus of interest to inquire about courses and schedules.

- **CHE 3:** General Chemistry
- **CHE 4:** Introduction to Organic and Biochemistry
- **BIOL 10:** Human Anatomy
- **BIOL 14:** Microbiology
- **BIOL 45:** Human Physiology

Please see the program description of interest for information regarding prerequisites. Course descriptions may be found in **Section 8** of this Catalog.

VOCATIONAL NURSING

REVISION: Admission Requirements have been updated to include language regarding transcript review, as set forth below. (Catalog p. 129, rev. 10.17.22)

Admission Requirements

- Applicant must be in good health and physically fit
- Applicant must be age 18 by his/her expected start date
- Applicant must provide current CPR certification from the American Heart Association

Applicants are selected based on points earned in an evaluation process that includes assessment, transcript review*, professional reference, personal interview, and essay.

**Some courses, including Vocational Nursing courses, require completion within the past 5 years in order to be considered.*

SECTION 8: COURSE DESCRIPTIONS

REVISION: The course description for **Career Academy** has been added. (Catalog p. 170, rev. 7.29.22)

Career Academy

The Career Services Department partners students with the Career Academy to prepare students for the job search process. Utilizing an innovative, interactive hub, students will engage in a variety of professional development games and activities. Students will earn badges, create high-quality professional résumés highlighting the skills acquired throughout their program, and participate in mock interview sessions to develop effective interviewing skills. A final exit interview will capstone the student's preparedness for interviewing with potential employers. **The grade for the Career Academy is Pass/Fail. Completion of the Career Academy is a graduation requirement.**

REVISION: The course description for **CON 300: Construction Materials, Methods, and Equipment** has been revised. (Catalog p. 173, rev. 7.29.22)

CON 300: Construction Materials, Methods, and Equipment

4.0 Units/60 Hours

This course provides an overview of construction methods and techniques used in the building process. This course also examines the origin, production, and use of basic construction materials, building components, and systems.

REVISION: The course description for **MAP 90A: Capstone & Alternative Externship** has been added. (Catalog p. 183, rev. 7.29.22)

MAP 90A: Capstone & Alternative Externship

6.0 Units/150 Hours

Students will demonstrate proficiency of theory-based competencies and apply their acquired skills, responsibilities, and duties of a Medical Assistant in a simulated clinical setting under direct supervision of their program faculty. Maintaining SJVC-expected professionalism attributes, and front and back-office skills at all times is essential.

REVISION: The course description for **MBC 101: Medical Billing and Coding Requisites** has been removed. (Catalog p. 183, rev. 9.12.22)

MBC 101: Medical Billing and Coding Requisites

3.0 units – 45 hours

Students will apply the knowledge, skills, and concepts previously learned through formal education and/or work experience in preparation for entry into the Medical Billing and Coding program. Students will demonstrate how to compile, process, audit, and report patient information in a manner consistent using CPT, HCPCS, and ICD-10-CM regulatory and legal requirements. A grade of "C" or higher is required to pass this course.

REVISION: The course description for **PHIL 301: Critical Thinking for Professionals** has been added. (Catalog p. 185, rev. 7.29.22)

PHIL 301: Critical Thinking for Professionals

4.0 units – 60 hours

This course presents concepts and principles of thinking and decision making including the Wonder, Investigate, Speculate, Evaluate (W.I.S.E) approach. Through application and evaluation, students practice problem solving through investigation, research, and application of persuasive skills. Emphasis is placed on applying critical thinking skills to practical issues applicable to professional career paths, and the evaluation and development of solutions.

REVISION: The course description for **CHE 4: Introduction to Organic and Biochemistry** has been added.
(Catalog p. 170, rev. 9.30.22)

CHE 4: Introduction to Organic and Biochemistry

4.0 units – 90 hours

This course is designed for allied health majors and focuses on the basic structural, physical, and chemical properties of organic and biochemical compounds. Topics include hydrocarbons and the chemistry of organic functional groups, and properties of carbohydrates, lipids, and proteins. The role of these compounds in metabolism and energy is also discussed. **A grade of C or higher is required to pass this course.**

SECTION 9: ADMINISTRATION AND FACULTY

REVISION: **Senior Leadership** has been corrected to reflect that Anthony Romo is **the Vice President of Enrollment & Graduate Services**, as set forth below. (Catalog p. 201, rev. _____)

Anthony Romo
Vice President of Enrollment & Graduate Services
M.A., Human Resources Management, National University
B.A., Business Administration, CSU Fullerton

REVISION: The **Campus Leadership and Faculty Directory** has been updated. (Catalog p. 202, rev. 9.12.22)
