STUDENT'S RIGHT TO CANCEL

REVISION: The **Student's Right to Cancel** policy in Catalog Section 2 has been revised, as set forth below. **This revision is in effect for all students who start classes on or after July 1, 2023.** (Catalog, p. 20, rev. 6.30.23)

New students have the right to cancel the enrollment agreement and obtain a refund of charges paid any time prior to midnight on the seventh calendar day (excluding institutionally recognized holidays) after the start of their first scheduled class session, or for new students enrolled in a distance education program, the seventh calendar day (excluding institutionally recognized holidays) after the start of their first lesson.

Cancellation shall occur when the student gives written notice of cancellation at the address of the College shown on top of the front page of the enrollment agreement. Students can submit this written notice by mail, hand delivery, or email. The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that the student no longer wishes to be bound by the enrollment agreement.

If the student cancels the enrollment agreement, the College will not charge institutional charges; however, the College retains the nonrefundable application fee and may charge for equipment not returned in a timely manner and in good condition.

TRANSFER OF CREDIT

REVISION: Bullet #4 under "General requirements for transfer credit include the following:" has been revised, as set forth below. (Catalog p. 21, rev. 6.9.23)

Most courses, including science, computer, technical, and clinical courses, require completion within the past seven (7) years in order to be considered. Please see complete program descriptions for information regarding required coursework, including prerequisites.

TUITION

REVISION: Tuition tables have been revised to reflect that the **Business Office Administration Certificate of Completion** program is no longer eligible for the Workforce Agency contracted total program cost of \$10,025. This revision is effective across all campuses and the Online Division. (Catalog, p. 26-30, rev. 5.19.23)

COURSE RETAKE FEES

REVISION: The **Course Retake Fees** policy has been revised to include a cap on fees assessed, as set forth below. (Catalog, p. 31, rev. 7.7.23)

Students who fail a course required for graduation, who withdraw from a course after the 14th calendar day of that course, or are terminated from a course with a last date of attendance after the 14th calendar day of that course will be charged a Course Retake Fee in the amount of \$750.00. Students who withdraw from a course prior to the 15th calendar day of the course or are terminated from the course with a last date of attendance within the first 14 calendar days of the course will not be subject to the Course Retake Fee.

Retake fees will be capped at \$1,500 per course (two retakes). A student's third (and any subsequent) course retake under the charged-retake policy will not be assessed the retake fee.

Non-degree-seeking students who wish to repeat a general education course to achieve a higher grade may retake the course at cost (see **Tuition** tables in this section).
