

SAN JOAQUIN VALLEY COLLEGE

**SUPPLEMENT TO THE
2023 COLLEGE CATALOG**

SUPPLEMENT TO THE 2023 COLLEGE CATALOG

This document is a supplement to the 2023 College Catalog and is provided for the purpose of notifying students of corrections and/or updates to College policy, programs, courses, admissions and graduation requirements which have occurred since the Catalog’s publication.

This is a living document; revisions will be added until publication of the next Catalog.

CATALOG: ALL SECTIONS

PHARMACY TECHNICIAN

REVISION: The Catalog has been revised to reflect that the **Pharmacy Technician Associate of Science degree program at the Santa Maria campus** is not currently enrolling new students. (Catalog, all sections, rev. 7.31.23).

PHARMACY TECHNOLOGY

REVISION: The Catalog has been revised to reflect that the **Pharmacy Technology Certificate of Completion program at the Santa Maria campus** is not currently enrolling new students. (Catalog, all sections, rev. 7.31.23).

VETERINARY TECHNOLOGY

REVISION: The Catalog has been revised to reflect that the **Veterinary Technician Associate of Science degree program at the Fresno campus** is not currently enrolling new students. (Catalog, all sections, rev. 7.25.23).

SECTION 2: ADMISSIONS

STUDENT'S RIGHT TO CANCEL

REVISION: The **Student's Right to Cancel** policy in Catalog Section 2 has been revised, as set forth below. **This revision is in effect for all students who start classes on or after July 1, 2023.** (Catalog, p. 20, rev. 6.30.23)

New students have the right to cancel the enrollment agreement and obtain a refund of charges paid any time prior to midnight on the seventh calendar day (excluding institutionally recognized holidays) after the start of their first scheduled class session, or for new students enrolled in a distance education program, the seventh calendar day (excluding institutionally recognized holidays) after the start of their first lesson.

Cancellation shall occur when the student gives written notice of cancellation at the address of the College shown on top of the front page of the enrollment agreement. Students can submit this written notice by mail, hand delivery, or email. The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that the student no longer wishes to be bound by the enrollment agreement.

If the student cancels the enrollment agreement, the College will not charge institutional charges; however, the College retains the nonrefundable application fee and may charge for equipment not returned in a timely manner and in good condition.

TRANSFER OF CREDIT

REVISION: Bullet #4 under "General requirements for transfer credit include the following:" has been revised, as set forth below. (Catalog p. 21, rev. 6.9.23)

Most courses, including science, computer, technical, and clinical courses, require completion within the past seven (7) years in order to be considered. Please see complete program descriptions for information regarding required coursework, including prerequisites.

ACADEMIC CALENDAR

CORRECTION: The Academic Calendar has been revised to reflect a corrected **2024 Start Date for Respiratory Therapy** at the **Ontario and Rancho Cordova campuses**, as set forth below. (Catalog, p. 24, rev. 8.11.23)

RESPIRATORY THERAPY	
Ontario and Rancho Cordova Campuses	
03/13/2023	10/23/2023
07/03/2023	02/19/2024

TUITION

REVISION: Tuition tables have been revised to reflect that the **Business Office Administration Certificate of Completion** program is no longer eligible for the Workforce Agency contracted total program cost of \$10,025. This revision is effective across all campuses and the Online Division. (Catalog, p. 26-30, rev. 5.19.23)

COURSE RETAKE FEES

REVISION: The **Course Retake Fees** policy has been revised to include a cap in fees assessed, as set forth below. (Catalog, p. 31, rev. 7.7.23)

Students who fail a course required for graduation, who withdraw from a course after the 14th calendar day of that course, or are terminated from a course with a last date of attendance after the 14th calendar day of that course will be charged a Course Retake Fee in the amount of \$750.00. Students who withdraw from a course prior to the 15th calendar day of the course or are terminated from the course with a last date of attendance within the first 14 calendar days of the course will not be subject to the Course Retake Fee.

Retake fees will be capped at \$1,500 per course (two retakes). A student's third (and any subsequent) course retake under the charged-retake policy will not be assessed the retake fee.

Non-degree-seeking students who wish to repeat a general education course to achieve a higher grade may retake the course at cost (see **Tuition** tables in this section).

SECTION 3: FINANCIAL SERVICES

STUDENT'S RIGHT TO CANCEL

REVISION: The **Student's Right to Cancel** policy in Catalog Section 3 has been revised, as set forth below. **This revision is in effect for all students who start classes on or after July 1, 2023.** (Catalog, p. 35, rev. 6.30.23)

New students have the right to cancel the enrollment agreement and obtain a refund of charges paid any time prior to midnight on the seventh calendar day (excluding institutionally recognized holidays) after the start of their first scheduled class session, or for new students enrolled in a distance education program, the seventh calendar day (excluding institutionally recognized holidays) after the start of their first lesson.

Cancellation shall occur when the student gives written notice of cancellation at the address of the College shown on top of the front page of the enrollment agreement. Students can submit this written notice by mail, hand delivery, or email. The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that the student no longer wishes to be bound by the enrollment agreement.

If the student cancels the enrollment agreement, the College will not charge institutional charges; however, the College retains the nonrefundable application fee and may charge for equipment not returned in a timely manner and in good condition.

After the cancellation period, each student is charged a nonrefundable Student Tuition Recovery Fund fee of \$2.50 per \$1,000 in institutional charges (rounded to the nearest \$1,000 increment).

SECTION 6: ACADEMIC POLICIES & REGULATIONS

STUDENT ACHIEVEMENT: GRADES AND CREDITS

REVISION: The **Additional grade designations possible** table has been revised, as set forth below. (Catalog, p. 57, rev. 7.31.23)

CR/P	= Pass, satisfactory 0.0 Grade Points, credit awarded
NC	= Attempted, failed 0.0 Grade Points, credit awarded
I	= Incomplete 0.0 Grade Points, credit awarded
W	= Withdrawal 0.0 Grade Points, credit awarded
WC	= Withdrawn-Cancel 0.0 Grade Points, credit awarded
WN	= Withdrawn, not attempted 0.0 Grade Points, credit awarded
R	= Course Repeated Credit awarded upon successful completion
T	= Transfer Credit

SECTION 7: BACCALAUREATE DEGREE, ASSOCIATE DEGREE, AND CERTIFICATE PROGRAMS

AVIATION MAINTENANCE TECHNOLOGY

CORRECTION: The **course code** for the Sheet Metal Structures and Airframe Auxiliary Systems course has been corrected from AERO 3130 to AERO 130. (Catalog p. 140, rev. 7.12.23)

DENTAL ASSISTING

REVISION: Graduation Requirements for the Dental Assisting Certificate of Completion program have been revised, as set forth below. (Catalog p. 145, rev. 7.12.23)

Graduation Requirements

- Completion of the courses listed below with a grade of C or higher
- Achieve the minimum requirement of the Dental Practice Act (Law and Ethics), Infection Control, CPR, Health Insurance Portability and Accountability Act (HIPAA), Radiology Safety, Coronal Polish, and Pit and Fissure Sealants certification components
- Successful completion of the Career Academy requirements (see **Graduation Requirements for the Certificate of Completion**)

REVISION: Credential and Professional Certifications for the Dental Assisting Certificate of Completion program have been revised, as set forth below. (Catalog p. 145, rev. 7.12.23)

Credential and Professional Certifications

Graduates earn a Certificate of Completion in Dental Assisting and certifications in Dental Practice Act (Law and Ethics), Infection Control, CPR, Health Insurance Portability and Accountability Act (HIPAA), and Radiology Safety. With the completion of certification in Coronal Polish and Pit and Fissure Sealants, students are eligible to take the Dental Board of California Examination for state licensure. *SJVC* prepares students to take appropriate certification and licensure exams related to their individual majors. The College does not guarantee students will successfully pass these exams or be certified or licensed as a result of completing the program.

CONSTRUCTION MANAGEMENT

REVISION: The Program Page for the Construction Management Bachelor of Science degree program has been revised, as set forth below. (Catalog p. 66, rev. 8.11.23)

Construction Management

This program is offered through the **Online Division**.

Program Description

The Bachelor of Science degree in Construction Management program prepares graduates to competitively enter the construction management field. Students are provided with comprehensive instruction on a wide variety of topics available to the construction industry, and are trained to prepare competitive project proposals, supervise construction sites, and effectively communicate with clients and workers. Students are prepared for the management responsibilities they will face on the job at construction sites. Freshman applicants (those entering without a previously earned Associate of Science degree in Construction Management) may complete this program in 135 weeks. Two bridge options are also available to Transfer Applicants; these require previous completion of an Associate of Science degree in Construction Management or a trades-related field and may be completed in 75 - 90 weeks.

Program Student Learning Outcomes

Upon completion of this program, the successful student will be able to:

1. Demonstrate effective communication and presentation skills for diverse audiences.
2. Critically evaluate information from multiple sources for application in construction management.
3. Identify emergent issues impacting the construction profession and evaluate solutions utilizing relevant data interpretation techniques.
4. Apply critical thinking to enhance decision-making skills related to the management of residential, commercial, private, and public projects.
5. Apply advanced estimating, scheduling, and financial management skills to ensure the successful outcomes of construction projects.
6. Utilize advanced knowledge of legal and environmental factors to create safe, sustainable, ethical, legally compliant, and lawfully administered projects.

Admission Requirements

To be considered for admission to the Bachelor of Science degree in Construction Management program, applicants must meet the following requirements:

Freshman Applicants

- Must meet all institutional admissions requirements as set forth in **Section 2** of the **College Catalog**.

Transfer Applicants

- Hold an Associate of Science degree in Construction Management or a trades-related field from **SJVC** (or an institution of higher learning accredited by an agency that is recognized by the United States Department of Education).
 - All incoming course credit is subject to evaluation for equivalency pursuant to the Transfer of Credit policy as set forth in **Section 2** of the **College Catalog**.
- **Bridge Option 1:** Have successfully completed a minimum of 60.0 units of lower-division coursework in Construction Management
- **Bridge Option 2:** Have successfully completed a minimum of 43.0 units of lower-division coursework in a trades-related major

Graduation Requirements: Successful completion of the courses listed below with a grade of C or higher. See **Graduation Requirements for the Bachelor of Science Degree** for additional requirements.

Credential and Professional Certifications

Graduates earn a Bachelor of Science degree in Construction Management.

Graduate Employment

The following job categories are considered in-field placements for graduates of the Bachelor of Science degree in Construction Management program. Detailed information for each Standard Occupational Classification (SOC) can be found at <http://www.onetonline.org/>.

- Construction Managers (11-9021.00)
- Cost Estimator (13-1051.00)
- First Line Supervisors of Construction Trades and Extraction Workers (47-1011.00)
- General and Operations Managers (11-1021.00)
- Purchasing Agents, Except Wholesale, Retail, and Farm Products (13-1023.00)

Freshman Applicants

Course ID	Course Name	Credit Units
Lower Division Core Course Requirements		
COMP 101	Computer Literacy and Applications for the Professional	3.0
CON 100	Construction Materials	3.0
CON 107	Construction Blueprints	3.0
CON 115	Applied Mathematics for Construction Management	3.0
CON 117	Construction Documents and Methods	3.0
CON 127	Project Scheduling and Control	5.0
CON 136	Construction and Labor Laws	3.0
CON 138	Estimating and Bidding for Residential and Commercial Projects	5.0
CON 142	Construction Management Supervision	3.0
CON 147	Construction Project Management	5.0
Total		36.0
Lower Division General Education Course Requirements		
ENG 121	Composition and Reading – Part A	3.0
ENG 122	Composition and Reading – Part B	3.0
MTH 121	College Algebra – Part A	3.0
MTH 122	College Algebra – Part B	3.0
NSC 1	Introduction to the Natural Sciences	3.0
PHIL 1C	Ethics	3.0
PSY 1	General Psychology	3.0
SOC 1	Introduction to Sociology	3.0
Total		24.0
Upper Division Core Course Requirements		
CON 300	Construction Materials, Methods, and Equipment	4.0
CON 301	Commercial Design and Construction	4.0

Program Total **120.0**

DENTAL HYGIENE

REVISION: Licensing Requirements in California and Reference Links have been revised on the Dental Hygiene Associate of Science degree program page to update *Dental Hygiene Committee of California* to *Dental Hygiene Board of California (DHBC)*, as set forth below. (Catalog p. 90, rev. 8.11.23)

Licensing Requirements in California

In order to apply for licensure in California, graduates must submit copies of the following to the Dental Hygiene Board of California:

- Diploma or a letter from the Program Director indicating they are a graduate
- Written results from the National Board Dental Hygiene Examination
- Clinical exam results from the Central Regional Dental Service (CRDTS) or Western Regional Examining Board (WREB)
- Any other license held in California, even if not dental-related
- Documentation of the completion of Live Scan fingerprinting

Once the application is complete, DHBC notifies the applicant that they are eligible to take the required California Law and Ethics exam.

Reference links:

- DHBC: dhbc.ca.gov/
- Central Regional Dental Testing Service: (Dental Hygiene clinical exam): crdts.org
- Western Regional Examining Board: (Dental Hygiene clinical exam) wreb.org
- National Board Dental Hygiene Examination (Dental Hygiene written exam): ada.org/en/jcnde/examinations/national-board-dental-hygiene-examination

ELECTRICAL TECHNOLOGY

REVISION: The **Standard Occupational Classification (SOC)** below has been added to the listed SOC's in the Graduate Employment section for the Electrical Technology Associate of Science degree and Certificate of Completion programs. (Catalog p. 95, 148, rev. 7.31.23)

- Helpers - Electricians (47-3013.00)

HEALTH STUDIES

REVISION: On the Health Studies Associate of Science degree program page, the **Standard Occupational Classifications (SOC) for the Dental Assisting Certificate Track** have been revised, as set forth below. (Catalog p. 96, rev. 8.11.23)

Dental Assisting Certificate Track:

- Medical and Health Services Managers (11-9111.00)
- Dental Assistants (31-9091.00)
- Medical Records Specialists (29-2072.00)
- Medical Secretaries and Administrative Assistants (43-6013.00)

HEALTH CARE MANAGEMENT

REVISION: Standard Occupational Classifications (SOC) for the Health Care Management Bachelor of Science degree program have been revised, as set forth below. (Catalog p. 71, rev. 7.25.23)

Graduate Employment

The following job categories are considered in-field to calculate the graduate employment rates required by the state of California for graduates of the Bachelor of Science in Health Care Management program. Detailed information for each Standard Occupational Classification (SOC) can be found at ononline.org.

- Bill and Account Collectors (43-3011.00)
- Billing and Posting Clerks (43-3021.00)
- Dental Hygienists (29-1292.00)
- Diagnostic Medical Sonographers (29-2032.00)
- Medical and Health Services Managers (11-9111.00)
- Medical Assistants (31-9092.00)
- Medical Secretaries and Administrative Assistants (43-6013.00)
- Office Clerks, General (43-9061.00)
- Patient Representatives (29-2099.08)
- Pharmacy Aides (31-9095.00)
- Pharmacy Technicians (29-2052.00)
- Respiratory Therapists (29-1126.00)
- Respiratory Therapy Technicians (29-2054.00)
- Surgical Technologists (29-2055.00)

VOCATIONAL NURSING

REVISION: Admissions Requirements for the Vocational Nursing Associate of Science degree program have been revised, as set forth below. (Catalog p. 129, rev. 5.11.23)

Admission Requirements

- Be in good health and physically fit
- Be age 18 by his/her expected start date
- Provide current CPR certification from the American Heart Association

Applicants are selected based on points earned in an evaluation process that includes assessment, transcript review*, professional reference, personal interview, and essay.

**Some courses, including Vocational Nursing courses, require completion within the past 5 years in order to be considered. For re-entry students returning to the program within a one-year period (from the student's drop or termination date to their re-entry date), the College will honor their previously transferred GE courses. Re-entry students who return to the program after a one-year period will have their GE courses subject to the 5-year policy.*

SECTION 8: COURSE DESCRIPTIONS

REVISION: The following course descriptions have been revised, as set forth below.

HCP 103: Foundational Office Skills

2.0 units – 45 hours

This course presents the fundamental administrative skills needed to work in a medical facility. Students will build a foundation in medical coding principles, medical law and ethics, as well as insurance plans and forms. This course includes HIPAA training and certification. (Catalog p. 180, rev. 7.31.23)

HCP 203: Medical Office Management

3.0 units – 45 hours

This course is designed to equip students with the essential skills and knowledge required in medical office management and communication. Students will learn the fundamentals of providing exceptional patient care, mastering effective communication, understanding office management responsibilities, exhibiting professional conduct, and utilizing medical office software applications. (Catalog p. 180, rev. 7.31.23)
