**SUPPLEMENT TO THE
2025 COLLEGE
CATALOG
(rev. 6.9.25)**

SUPPLEMENT TO THE 2025 COLLEGE CATALOG

This document is a supplement to the 2025 College Catalog and is provided for the purpose of notifying students and other interested parties of corrections and/or updates to College policy, programs, courses, admissions and graduation requirements which have occurred since the Catalog’s publication. This is a living document; revisions will be added until publication of the next Catalog.

©2025 San Joaquin Valley College. All rights reserved. San Joaquin Valley College updates this Supplement as necessary and reserves the right to change the terms and conditions outlined in this Supplement at any time without notice. Information is current at the time of publication. This Supplement supersedes all previous editions and is in effect until a subsequent Supplement is published either in print or online. This Supplement is applicable to all students in all programs at all locations. All faculty and staff are to adhere to the policies listed within this document. Updates made subsequent to the effective (revision) date of this Supplement are available via SJVC.edu/admissions/college-catalog/. It is the responsibility of applicants and students to check for updates. San Joaquin Valley College is a subsidiary of San Joaquin Valley College, Inc., located at 3828 W. Caldwell Ave., Visalia, CA 93277. San Joaquin Valley College, Inc. is the parent organization of San Joaquin Valley College and Carrington College.

CATALOG: ALL SECTIONS

DELANO, PORTERVILLE, SANTA MARIA CAMPUSES

REVISION: The catalog is updated to reflect that the **Delano, Porterville, and Santa Maria campuses** are not currently enrolling new students. (Catalog, all sections; rev. 4.21.25)

SECTION 7: BACCALAUREATE DEGREE, ASSOCIATE DEGREE, AND CERTIFICATE PROGRAMS

ELECTRICAL TECHNOLOGY

REVISION: The catalog is updated to reflect the removal of the statement below from the **Electrical Technology Associate of Science Degree and Certificate of Completion** program pages. The San Leandro campus has received laboratory site approval from the California Department of Industrial Relations. (Catalog, p. 95, 140; rev. 6.9.25)

*The Electrical Technology program on the San Leandro campus is new and pending laboratory site approval from the Electrician Certification Curriculum Committee with the State of California Department of Industrial Relations.
