Dear President Perry,

College staff has informed the ACCJC that the College will be offering Electrical Technology (ET) – Associate of Science Degree (64 units) and Certificate of Completion (40 units); Industrial Maintenance Technology (IMT) – Associate of Science Degree (66 units) and Certificate of Completion (30 units); and Criminal Justice: Corrections (CJC) – Associate of Science Degree (68 units) and Certificate of Completion (44 units) at the SJVC Temecula Campus.

As these changes do not result in a significant departure, it has been determined a substantive change review by the Commission is not required. Thank you for bringing this to our attention and please let us know if there are any changes in the information provided by the College.

On behalf of the Commission, thank you for your continued commitment to accreditation and academic quality in higher education.

Sincerely,

Dr. Stephanie Droker
Vice President
