

5-Year Cumulative Student Achievement Data (BA, CMA, and MOA programs)

Figure 1

Business Administration Program 2007 - 2011				
Year	Student Enrollments	First Term Retention	Graduation	Eligible Graduates Placed
2007	559	74%	50%	75%
2008	548	75%	46%	78%
2009	509	76%	52%	84%
2010	606	79%	56%	88%
2011	547	75%	49%	86%
5 Year Total	2769	76%	50%	82%

Figure 2

Clinical Medical Assisting Outcomes 2007 - 2011				
Year	Student Enrollments	First Term Retention	Graduation	Eligible Graduates Placed
2007	1171	73%	51%	63%
2008	1377	76%	54%	63%
2009	1912	79%	58%	61%
2010	2487	77%	56%	65%
2011	2193	76%	55%	70%
5 Year Total	9140	77%	56%	65%

Figure 3

Medical Office Administration Program Outcomes 2007 - 2011				
Year	Student Enrollments	First Term Retention	Graduation	Eligible Graduates Placed
2007	435	76%	59%	53%
2008	407	77%	56%	57%
2009	616	82%	59%	59%
2010	695	80%	60%	59%
2011	526	76%	59%	64%
5 Year Total	2679	79%	59%	59%

NOTES:

1. Statistics reflect the student achievement data gathered from the SJVC branch campuses where these programs are taught, including: Rancho Cordova, Modesto, Fresno, Visalia (includes Hanford Extension Center and Online Division), Bakersfield, Hesperia, and Ontario.
2. Student Enrollments represent any student who started the program between January through December of each year.
3. Graduates are "ineligible" for job placement if they meet any of the following conditions: continuing their education at SJVC or another institution; engaged in active military; temporarily or permanently disabled; deceased.
4. Medical Office Assisting Program outcomes include: Administrative and Health Care Management, Health Care Management, Health Care Insurance Specialist and Medical Office Administration programs.
5. Source: SJVC CampusVue Student Records as of 12.2013.
