**Revised: Feb 2016**

## **STATEMENT OF PURPOSE**

Minimum faculty qualifications at *San Joaquin Valley College* establish standards which will assure that faculty are qualified by academic background and experience to carry out their institutional and program responsibilities and their potential to contribute to the mission and goals of the college.

While teaching effectiveness is the principle criterion for the selection of teaching faculty, knowledge of the subject matter or service to be performed is the foundation. Discipline expertise is essential as faculty members are responsible for curriculum development and assessment of student learning through the Program Review process.

*San Joaquin Valley College* is dedicated to providing educational programs which meet the highest standards of quality and provide the training and skills required to compete in today's work force. A trained, competent, and professional instructor is the first step in achieving this goal.
