* Cohort Year represents the year for which students began their studies and applies to Graduation and Transfer Out Rates.

** Net Price is Average Net Price for 2013-2014 generated for full-time beginning undergraduate students who were awarded grant or scholarship aid from federal, state or local governments, or the institution. For public institutions only students paying the in-state or in-district rate are included. For institutions that charge students by program, net price is generated for the institution's largest program.

NA (Not applicable) - Graduation rate, transfer-out rate and the net price are not applicable to institutions that do not have full-time, first-time degree-seeking undergraduate students in the applicable cohort year or the financial aid year.
