# BACCALAUREATE DEGREE PROGRAM

## Dental Hygiene

---

This program is offered online.

### Program Description

SJVC's Bachelor of Science in Dental Hygiene Program may be completed in 50 weeks. The program is designed for Registered Dental Hygienists having graduated from a CODA accredited associates degree Dental Hygiene program who want to advance their career. The Bachelor of Science Degree in Dental Hygiene affords excellent opportunities for professional growth and development with the necessary education in leadership, education, and research.

### Program Student Learning Outcomes

Upon completion of this program, the graduate will be able to:

1. Demonstrate effective communication and presentation skills for diverse audiences.
2. Critically evaluate information from multiple sources for application in professional settings.
3. Apply current research and data interpretation techniques to identify and evaluate solutions for emergent issues impacting the profession.
4. Apply critical thinking and evidence-based decision making in dental hygiene education and health promotion.
5. Utilize interprofessional collaboration to enhance patient centered care

**Admission Requirements:** To be considered for admission to the Dental Hygiene Program, applicants must meet the following requirements:

- Hold an Associate of Science Degree in Dental Hygiene from a CODA accredited associate of science degree dental hygiene program that is within a regionally or nationally accredited institution.
- Successful completion of a minimum of 60.0 units of lower division courses (may include lower division dental hygiene coursework).
- Hold a current unencumbered license as a Registered Dental Hygienist (RDH) in California or in the state of current employment.
- Completion of the following prerequisite courses at an accredited college or university with a minimum of a "C" grade and an overall GPA of 2.75 or higher:
  - General/Inorganic Chemistry (with lab)
  - Speech / Oral Communication
  - Introduction to Sociology
  - Writing and Composition
  - Intermediate Algebra or higher
  - General Psychology
  - General Education (GE) Breadth Area C2 (minimum of 3.0 units in literature, philosophy, or foreign language)
