ACADEMIC CALENDAR

Most educational programs have frequent points of enrollment and operate on a continuous, five-week instructional cycle throughout the year. These programs include:

Business Administration
Clinical and Administrative Medical Assisting
Clinical Medical Assisting
Computer Systems Administration
Construction Management
Criminal Justice: Corrections
Dental Assisting
Electrical Technology
Heating, Ventilation, Air Conditioning, and Refrigeration
Human Resource Administration
Industrial Maintenance Technology
Information Technology
Medical Billing and Coding
Medical Office Administration
Pharmacy Technology

The remaining 2017 and 2018 start dates for these programs are provided below. Periodically, some programs will have a "dark start" where new students will have to wait until the next available start date to begin.

2017
12/11/2017

2018
01/22/2018	07/16/2018
02/26/2018	08/20/2018
