## Professional Learning Environment

The instructor constructs an environment that is safe, professional and conducive to learning.

Examples: inspires, expects and holds students accountable to professional standards and policies, continually monitors student behaviors, consistently addresses when professional standards are not followed, positively recognizes when students adhere to and exceed expectations.

### **What Am I Observing?**

**Student Interaction(s):** with instructor, peers, clients (mock patients/customers), visitors to the classroom

**Physical Classroom:** walls, whiteboards, counters, tables, supply areas, etc. – clean, maintained, organized, updated?

**Learning Environment:** instructor position, connection with students, classroom management, professional demeanor/language

### **Reflective Discussion with Instructor:**

- What are your professionalism challenges with individual students?
- How may I support you to develop our students' professional awareness and achievement?

**Recommendations:**
