<sup>1</sup>Degree must be from a college or university which has been accredited by an entity recognized by the DOE (search <http://ope.ed.gov/accreditation/search.aspx> to determine an institution's accreditation status), and must be major discipline or related discipline. Non-U.S. degrees require an official equivalency report that identifies the institution(s) attended, dates of attendance, credential(s) earned and the U.S. educational equivalent (NOTE: it is recommended that the applicant use the International Education Research Foundation at <http://www.ierf.org> and requests a "General Report". The cost of the report is at the applicant's expense.)
