

San Joaquin Valley College
Job Description

Job Title: Instructor
Department: Academic Affairs & Student Services
Reports To: Academic Dean

Summary: Working with minimal supervision from the Academic Dean and technical supervision from the Program Director or Division Manager, the instructor is primarily responsible for the delivery of lecture and/or lab instruction to a population of diverse students.

Essential Duties and Responsibilities:

- Prepares course work for all assigned classes.
- Teaches assigned courses in accordance with established SJVC approved curriculum and course outlines.
- Assesses and analyzes student mastery of course and program learning outcomes.
- Reviews assessment data and adjusts curriculum and instructional methodologies to improve student learning.
- Contributes to outcome discussions at the campus, program and institution levels.
- Fulfills all duties enumerated within the Statement of Faculty Responsibilities
- Participates in college governance, committees and task forces.
- Attends educational and campus meetings.
- Contacts students outside the classroom due to student absence to relay information related to class work and assignments.
- Offers students additional tutoring outside class time.
- Refers students to appropriate campus resources.
- Performs various functions and duties directly related to the program or the operations of the campus.
- Informs students about course requirements, evaluation procedures and attendance requirements.
- Maintains necessary attendance, scholastic and student records, and submits records according to published guidelines.
- Participates in professional development, advisory board meetings, student and other educational activities in accordance with college policy.
- Maintains current knowledge in the field, vocation or profession.
- Participates in the evaluation, revision and development of curriculum and instructional methods.
- Participates as assigned in various campus activities and duties.
- Performs other duties as assigned

Supervisory Responsibilities: An instructor supervises student conduct in the classroom, on the campus, and on field trips and school related functions.

Competency: To perform the job successfully, an individual should demonstrate the following competencies:

Analytical – Collects and researches data to enhance teaching materials; uses intuition and experience to complement data.

Design – Generates creative solutions; translates concepts and information into images; uses feedback to modify teaching methods; demonstrates attention to detail.

Problem Solving – Identifies and resolves problems in the classroom; develops alternative solutions; works well in group problem solving situations; uses reason even when dealing with emotional topics.

Customer Service – Manages difficult or emotional student situations; responds promptly to student needs; solicits student feedback to improve service; responds to requests for tutoring and assistance; meets commitments made to students.

Interpersonal Skills – Focuses on solving conflict, not blaming; maintains confidentiality; listens to others without interrupting; keeps emotions under control; remains open to others' ideas and tries new things.

Oral Communication – Effectively teaches and communicates with students from diverse backgrounds; speaks clearly and persuasively in positive and negative situations; listens and gets clarification; responds well to questions; demonstrates excellent presentation skills; participates in meetings.

Written Communication – Writes clearly and informatively; edits work for spelling and grammar; varies writing style to meet needs; presents numerical data effectively; able to read and interpret written information.

Teamwork – Balances team and individual responsibilities; exhibits objectivity and openness to others' views; gives and welcomes feedback; contributes to building a positive team spirit; puts success of team above own interests; able to build morale and group commitments to goals and objectives; supports everyone's efforts to succeed.

Visionary Leadership – Displays passion and optimism; inspires respect and trust; mobilizes students to fulfill their educational vision; provides vision and inspiration to students and co-workers.

Diversity – Shows respect and sensitivity for cultural differences; educates students on the value of diversity; promotes a harassment-free environment; builds a diverse workforce in the classroom and office.

Ethics – Treats students, employees, and the general public with respect; inspires the trust of others; works with integrity and ethically; upholds organizational values.

Organizational Support – Follows policies and procedures; completes administrative tasks correctly and on time; supports organization's goals; benefits organization through outside activities; supports affirmative action.

Judgment – Exhibits sound and accurate judgment; supports and explains reasoning for decisions; includes appropriate people in decision-making process.

Motivation – Encourages students to set and achieve challenging goals; demonstrates to students persistence and ways to overcome obstacles; measures self against standard of excellence and encourages students to do so as well; encourages students to take calculated risks to accomplish goals.

Professionalism – Approaches others in a tactful manner; reacts well under pressure; treats others with respect and consideration regardless of their status or position; accepts responsibility for own actions.

Safety and Security – Observes safety and security procedures, as well as teaches safety and security procedures in the classroom; reports potentially unsafe conditions; uses equipment and materials properly.

Adaptability – Adapts to changes in the work environment; manages competing demands; changes approach or method to best fit the situation; able to deal with frequent change, delays, or unexpected events.

Attendance/Punctuality – Is consistently at work on time; ensures class(es) start on time; ensures classes are covered when absent; arrives to meetings and appointments on time.

Dependability – Follow instructions, responds to management direction; commits to long hours of work when necessary to cover classes and/or tutor students.

Innovation – Displays original thinking and creativity; meets challenges with resourcefulness; generates suggestions for improving work; develops innovative approaches and ideas; presents ideas and information in a manner that gets others' attention.

Qualifications: To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill and/or ability required.
